Dangerous Journeys:

Deadly Voyages Steven W. Bender, Veronica Fynn Bruey, 2019-12-16 *Deadly Voyages Migrant Journeys across the Globe* explores the burdens and impact of perilous migration while considering which laws policies practices and venues might establish empathy and protection for migrants This interdisciplinary volume envisions and calls for a transformation in migration policy motivated by the common goal of drastically reducing the peril migrants face when compelled to make their treacherous journeys All contributors to this volume agree on the inadequacy of current approaches and the dire need for change in global migration law and policy Therefore the book seeks to inform educate persuade and facilitate newer or less heard perspectives toward wider participation and influence within the forced migration policy debate Guided by the famous advice of Karl Marx that the point should be changing the world rather than merely analyzing or interpreting it the contributors suggest practical measures to fix the current gap in responses to migrant peril along with strategies for diagnosing countering and promoting human dignity and social justice with the aim of preventing future deaths and injuries in migrant journeys across the globe

Adventures in Morocco and Journeys Through the Oases of Draa and Tafilet Gerhard Rohlfs, 1874

Great Australian Journeys Graham Seal, 2016-10-26 Graham Seal has the knack of the storyteller Warren Fahey AM Australia's history is one of epic journeys intrepid explorers and mysterious disappearances in far flung places From perilous sea voyages to the distant south land to forays across vast deserts on horseback they are stories of endurance and misadventure survival and loss Master storyteller Graham Seal has gathered together a gripping collection of famous and lesser known journeys by land sea and air in the 19th and early 20th centuries As Warren Fahey writes in his foreword Some journeys like those of Burke and Wills Lasseter's First Find and the razing of the riverboat Rodney are relatively well known Others mostly unknown are tales of bravado determination and sometimes sheer madness From the comfort and safety of your armchair you can join some of Australia's bravest and also some of its most foolhardy men and women in their adventures

Adventures in Morocco and the journeys through the oases of Draa... Gerhard Rohlfs, 1874 Isguised as an Arab Gerhard Rohlfs was the first European to cross Africa from Tripoli across the Sahara desert from north to south He travelled via Lake Chad and along the Niger River and to present day Lagos on the Gulf of Guinea from 1865 1867 He was the second European explorer to visit the region of the Draa River in the south of Morocco For this work in 1868 he was awarded the Patron's Medal of the Royal Geographical Society of London Rohlfs's detailed account of his time in Morocco and the Sahara is contained in his 1874 book *Adventures in Morocco and Journeys Through the Oases of Draa and Tafilet* Rohlfs's English book does not list a specific translator in 1874 in the magazine *Athenaeum* Rohlfs in specifying the translator merely states that at my wish Messrs Low caused an English translation to be made Rohlfs accounts of his experience in Morocco reads more like an adventure novel than history Several times he was attacked by robbers and left for dead and once covered with nine wounds he lay for two days and three nights in the desert there he found good Samaritans in the

inhabitants of a neighboring oasis who kindly cared for him and enabled him to resume his travels He had scarcely entered on his first journey in this inhospitable country when he was robbed of every thing that he possessed but declining to turn back he had the courage to press on to the first grand sheriff and apply for the position of surgeon in the army Thus he obtained and was soon promoted to the post of body physician to the Governor and thus obtained access to the royal city of Fez the residence of the Emperor According to Rohlf's very few of the Berbers understood the Koran the prayers or the religious precepts which are all in the Arabic tongue yet nevertheless they were the most radical Moslems and threatened him several times whom they suspected of being a Christian dog Rohlf's life was always saved by the intervention of the Governor's son who was a distant descendant of the Mohamed whose influence was all powerful Having made well nigh the circuit of Morocco skirting the Atlantic seaboard from Tangiers southwards besides long intervals of sojourn in the Sahara and penetrating to the Oases of Draa and Tafi
