*A Dangerous Mourning* Anne Perry, 2009-05-26 No breath of scandal has ever touched the aristocratic Moidore family until Sir Basil's beautiful widowed daughter is stabbed to death in her own bed a shocking incomprehensible tragedy Inspector William Monk is ordered to investigate in a manner that will give the least possible pain to the influential family But Monk brilliant and ambitious is handicapped by lingering traces of amnesia and by the craven ineptitude of his supervisor who would like nothing better than to see Monk fail With the help of nurse Hester Latterly a progressive young woman who served with Florence Nightingale in the Crimea Monk gropes warily through the silence and shadows that obscure the case knowing that with each step he comes closer to the appalling truth **A Dangerous Mourning** Anne Perry, 1994 Inspector William Monk has his hands full when an aristocrat's daughter is stabbed to death in her own bed He is instructed to proceed without delay but finds his efforts hamstrung by the lingering traces of amnesia and the craven ineptitude of his supervisor who would love to see him fail With the help of Hester Latterly formerly a nurse with Florence Nightingale Monk gropes warily through the silence and shadows knowing that with each step he comes closer to the appalling truth *A Dangerous Mourning (William Monk Mystery, Book 2)* Anne Perry, 2013-09-26 A shocking stabbing leads Monk to an astonishing solution In the second novel to feature William Monk and Hester Latterly New York Times bestselling author Anne Perry weaves a gripping mystery in *A Dangerous Mourning* as the death of a young woman leads the pair into the upper echelons of society and the secrets that lie there Perfect for fans of C J Sansom and Ann Granger Perry has two strengths memorable characters and an ability to evoke the Victorian era with the finely wrought detail of a miniaturist Wall Street Journal No breath of scandal has ever touched the aristocratic Moidore family London's wealthiest and most influential can often be found taking tea or dining in the opulent family mansion of Sir Basil Moidore in Queen Anne Street Now Sir Basil's beautiful widowed daughter has been stabbed to death in her own bed a shocking and incomprehensible tragedy Inspector William Monk is ordered to find her killer without delay and in a manner that will give least pain to her family Handicapped by his inept supervisor and the lingering traces of amnesia Monk gropes warily through the silence and shadows that obscure the case But with the intelligent help of Hester Latterly he begins to approach the astonishing solution step by dangerous step What readers are saying about *A Dangerous Mourning* Great period atmosphere excellent story with a good twist at the end Excellent background interesting protagonists and fascinating insight into historical period Historical fiction at its best *The Search for Anne Perry* Joanne Drayton, 2016-04-05 Acclaimed literary biographer Joanne Drayton was given unparalleled access to Anne Perry her friends relatives colleagues and archives to complete this book She intersperses the story of her life with an examination of her writing drawing parallels between Perry's own experiences and her characters and storylines *The Search for Anne Perry* is a gripping account of a life and provides understanding of the girl Anne was the adult she became her compulsion to write and her view of the world **A Feminist**

**Theory of Refusal** Bonnie Honig, 2021-05-11 An acclaimed political theorist offers a fresh interdisciplinary analysis of the politics of refusal highlighting the promise of a feminist politics that does not simply withdraw from the status quo but also transforms it The Bacchae Euripides's fifth century tragedy famously depicts the wine god Dionysus and the women who follow him as indolent drunken mad But Bonnie Honig sees the women differently They reject work not out of laziness but because they have had enough of women's routine obedience Later they escape prison leave the city of Thebes explore alternative lifestyles kill the king and then return to claim the city Their arc of refusal Honig argues can inspire a new feminist politics of refusal Refusal the withdrawal from unjust political and economic systems is a key theme in political philosophy Its best known literary avatar is Herman Melville's Bartleby whose response to every request is I prefer not to A feminist politics of refusal by contrast cannot simply decline to participate in the machinations of power Honig argues that a feminist refusal aims at transformation and ultimately self governance Withdrawal is a first step not the end game Rethinking the concepts of refusal in the work of Giorgio Agamben Adriana Cavarero and Saidiya Hartman Honig places collective efforts toward self governance at refusal's core and in doing so invigorates discourse on civil and uncivil disobedience She seeks new protagonists in film art and in historical and fictional figures including Sophocles's Antigone Ovid's Procne Charlie Chaplin's Tramp Leonardo da Vinci's Madonna and Muhammad Ali Rather than decline the corruptions of politics these agents of refusal join the women of Thebes first in saying no and then in risking to undertake transformative action **A**
