## **Daniel O'Connell Portrait Of A Radical:**

*Daniel O'Connell, Portrait of a Radical* Kevin B. Nowlan, Maurice R. O'Connell, 1985      *Daniel O'Connell and the Anti-Slavery Movement* Christine Kinealy, 2015-10-06 Previous histories on O'Connell have dealt predominantly with his attempts to secure a repeal of the 1800 Act of Union and on his success in achieving Catholic Emancipation in 1829. Kinealy focuses instead on the neglected issue of O'Connell's contribution to the anti-slavery movement in the United States.

*Liberator Daniel O'Connell* Patrick M. Geoghegan, 2010-10-15 In this sequel to his critically acclaimed *King Dan*, Patrick M. Geoghegan examines the latter part of O'Connell's life and career. Daniel O'Connell, often referred to as The Liberator, was an Irish political leader in the first half of the 19th century. One of the most remarkable historical figures in Irish history, he campaigned for Catholic Emancipation, including the right for Catholics to sit in the Westminster Parliament, and the repeal of the Act of Union which combined Great Britain and Ireland.      *King Dan: Daniel O'Connell 1775-1829* Patrick M.

Geoghegan, 2008-10-17 Daniel O'Connell, often referred to as The Liberator, was an Irish political leader in the first half of the 19th century. One of the most remarkable historical figures in Irish history, he campaigned for Catholic Emancipation, including the right for Catholics to sit in the Westminster Parliament, and the repeal of the Act of Union which combined Great Britain and Ireland. Famous in his day as the most feared lawyer in Ireland, O'Connell tormented judges, terrorised opposing barristers, and won a reputation for saving the lives of so many men who would otherwise have been hanged. He became The Counsellor, the fearless defender of the people. He secured that reputation through his campaign for Catholic Emancipation when he founded the first successful mass democratic movement in European history and became The Liberator.      **Daniel O'Connell, The British Press and The Irish Famine** Leslie A. Williams, 2017-03-02 Through an investigation of the reportage in nineteenth-century English metropolitan newspapers and illustrated journals, this book begins with the question: Did anti-O'Connell sentiment in the British press lead to killing remarks, rhetoric that helped the press, government, and public opinion distance themselves from the Irish Famine? The book explores the reportage of events and people in Ireland, focussing first on Daniel O'Connell and then on debates about the seriousness of the Famine. Drawing upon such journals as *The Times*, *The Observer*, *The Morning Chronicle*, *The Scotsman*, *The Manchester Guardian*, *The Illustrated London News*, and *Punch*, Williams suggests how this reportage may have effected Britain's response to Ireland's tragedy. Continuing her survey of the press after the death of O'Connell, Leslie Williams demonstrates how the editors, writers, and cartoonists who reported and commented on the growing crisis in peripheral Ireland drew upon a metropolitan mentality. In doing so, the press engaged in what Edward Said identifies as exteriority, whereby reporters, cartoonists, and illustrators basing their viewpoints on their very status as outsiders reflected the interests of metropolitan readers. Although this was overtly excused as an effort to reduce bias, stereotyping, and historic enmity, much of the unconscious was deeply embedded in the language and images of the press. Williams argues that the biases in language and the presentation of information proved dangerous. She illustrates how

David Spurr's categories or tropes of invalidation, debasement and negation are frequently exhibited in the reports, editorials and cartoons. However, drawing upon the communications theories of Gregory Bateson, Williams concludes that the real subject of the British Press commentary on Ireland was Britain itself. Ireland was used as a negative mirror to reinforce Britain's own commitment to capitalist industrial values at a time of great internal stress.

**Radical Spaces** Christina Parolin, 2010-12-01. RADICAL SPACES explores the rise of popular radicalism in London between 1790 and 1845 through key sites of radical assembly: the prison, the tavern and the radical theatre. Access to spaces in which to meet, agitate and debate provided those excluded from the formal arenas of the political nation the great majority of the population a crucial voice in the public sphere. RADICAL SPACES utilises both textual and visual public records, private correspondence and the secret service reports from the files of the Home Office to shed new light on the rise of plebeian radicalism in the metropolis. It brings the gendered nature of such sites to the fore, finding women where none were thought to gather and reveals that despite the diversity in these spaces there existed a dynamic and symbiotic relationship between radical culture and the sites in which it operated. These venues were both shaped by and helped to shape the political identity of a generation of radical men and women who envisioned a new social and political order for Britain.

*The Legal Career of Daniel O'Connell* Cornelius John B., 2004. Daniel O'Connell Maurice R. O'Connell, 1991. **The Noblest Agitator** Geraldine F. Grogan, 1991. **The Emancipist** Oliver MacDonagh, 1989. Describes O'Connell's life from the achievement of Catholic Emancipation in 1829 to his death in 1847. *Correspondence of Daniel O'Connell, the Liberator* Daniel O'Connell, 1888.

**Cumulative Bibliography of Victorian Studies**, 1970. *Knock* Eugene Hynes, 2008. In 1879 local people reported an apparition of the Virgin Mary and other supernatural personages at Knock, a poor rural village in western Ireland. The author draws on both insiders' views and his training as a sociologist to show how the apparition was related to the local social context, including economic, cultural, religious, political and historical dimensions.

**The Cantrells and the Donleys in America** Edward Donley, 1998. Edward Donley, son of Hugh Donley and Frances Gavin, was born in 1921 in Detroit, Michigan. He married Inez Cantrell, daughter of Lee Roy Cantrell and Inus Roady, in 1946 in Chattanooga, Tennessee. Ancestors, descendants and relatives lived mainly in Ireland, England and Michigan.

**Transatlantic Solidarities** Michael G. Malouf, 2009. Despite their prominent place in twentieth-century literature, in English novelists and poets from Ireland and the anglophone Caribbean have long been separated by literary histories in which they are either representing a local nationalist tradition or functioning within an international movement such as modernism or postcolonialism. Redressing this either/or framework, Michael Malouf recognizes an integral history shared by these two poetic and political traditions arising from their common transatlantic history in relation to the British empire and their common spaces of migration in New York and London. In examining these cross-cultural exchanges, he reconsiders our conception of transatlantic space and offers a revised conception of solidarity that is much more diverse than previously assumed. Offering a new narrative of cultural influence and

performance this work specifically demonstrates the formative role of Irish nationalist discourse expressed in the works of Eamon de Valera George Bernard Shaw and James Joyce in the transnational political and aesthetic self fashioning of three influential Caribbean figures Marcus Garvey Claude McKay and Derek Walcott It provides both an innovative historical and literary methodology for reading cross cultural relations between two postcolonial cultures and a literary and political history that can account for the recent diversity of the field of anglophone world literature     *Patrick Pearse and the Politics of Redemption* Seán Farrell Moran,1994 Pearse s achievement has had a lasting impact on the course of subsequent Irish politics and continues to provide both motivation and justification to Irish republicans At the same time Pearse brought to Irish politics concerns that were not limited to Ireland He was deeply concerned that modernity in an English form was a threat to Irish values and culture     **The Making of the Irish Poor Law, 1815-43** Peter Gray,2009-06-15 Peter Gray presents a complete scholarly account of the origins and introduction of the poor law in Ireland     History and the Public Sphere Tom Dunne,Laurence M. Geary,2005 This festschrift honours the contribution to historical scholarship and Irish public life by Professor John A Murphy independent member of the Irish Senate during a turbulent period and a contributor to public debate over many decades especially in relation to the crisis in Northern Ireland     **Dictionary of Irish Philosophers** Thomas Duddy,David Berman,Michael Alexander Stewart,2004 Since 1999 Thoemmes Press now Thoemmes Continuum has been engaged in a large scale programme of biographical dictionaries of philosophy and related subjects This volume on Irish philosophers follows the standard format of arranging entires alphabetically by thinker It includes two forms of entry 1 entries reproduced from previous editions of Thoemmes encyclopedias of British philosophy and 2 wholly new entries on early renaissance period and modern 20th century philosophers together with some new entries on the intervening centuries     **From Political Violence to Negotiated Settlement** Maurice Joseph Bric,John Coakley,2004 The contemporary relevance of the issues raised is underscored in a contribution from the chair of the arms decommissioning body
