Daniel Jack Kuhatschek, 2018-07      *Spiritual Living in a Secular World* Ajith Fernando, 2000      **A Deeper Look at Daniel** Douglas Connelly, 2013      *Mission in the Way of Daniel* Edward L. Smither, 2022-09-13

Mission in the Marketplace

What can the prophet Daniel teach us about serving in God's mission? Daniel was not a priest or official religious leader; he was a forcibly displaced Israelite who became a public administrator in the Babylonian and Persian empires. While he may serve as an example of an admirable work ethic, often finding favor and recognition with political leaders, he is also a prime example of a bold and godly individual willing to be a witness in his sphere of influence. Though his boldness resulted in suffering, he consistently experienced and demonstrated God's power in his witness. This same boldness is needed today. While many books and Bible studies explore the work ethic and character of Daniel, Ed Smither takes those discussions to a new level, illustrating why each of Daniel's qualities and skills is a necessary component of mission today. *Mission in the Way of Daniel* probes mission theology and practice in the Old Testament, exploring the well-known story of Daniel through the lenses of mission history and mission practice. Providing relevant application for contemporary issues like diaspora, power encounters, and divine favor in mission, the themes in *Mission in the Way of Daniel* advance the ongoing conversation about how to do mission. For mission practitioners, tentmakers, and all Christians, this book shows us how God can use us where we are in life and work.

A new commentary for today's world. *The Story of God Bible Commentary* explains and illuminates each passage of Scripture in light of the Bible's grand story. Its story-centric approach is ideal for pastors, students, Sunday school teachers, and laypeople alike. Each volume employs three main, easy-to-use sections designed to help readers live out God's story: LISTEN to the Story (includes complete NIV text with references to other texts at work in each passage, encouraging the reader to hear it within the Bible's grand story), EXPLAIN the Story (explores and illuminates each text as embedded in its canonical and historical setting), LIVE the
