## **Daniel Translation And Commentary By Hersh Goldwurm:**

**The Antichrist and the Second Coming** , The Antichrist and the Second Coming Duncan W. McKenzie,2012-04

What if the commonly held beliefs concerning the Antichrist are mistaken The Antichrist and the Second Coming looks at the Antichrist and the Second Advent of Christ from a preterist i e past fulfillment perspective and provides a unified interpretation of the little horn the prince to come the king of the North the man of lawlessness and the beast This is the second in a two volume set on the Antichrist it focuses on the book of Revelation This edition stands on its own and is recommended reading even if you have not read the first volume which focuses on Daniel and 2 Thessalonians McKenzie shows how the Antichrist was ultimately a spiritual ruler from the abyss Rev 11 7 that worked through Titus in his three and a half year destruction of the Jewish nation AD 67 70 cf Dan 9 26 This spirit of Antichrist was about to come out of the abyss in the first century Rev 17 8 NASB and was destroyed by the Second Advent of Jesus in AD 70 a spiritual event Continue reading to see how McKenzie convincingly makes the biblical case for this fascinating and controversial position and what it means for us today Dr Duncan McKenzie is a licensed psychologist Ph D in psychology who lives in Los Angeles California He has been studying Bible prophecy for the past twenty five years and has been researching and writing this two volume set for the last twelve years

**Dictionary of Premillennial Theology** Mal Couch,1996 More than 50 scholars combine their expertise to present a historical and topical dictionary of premillennial theology

**Crusades and Memory** Megan Cassidy-Welch,Anne Lester,2017-10-02 Crusading was a religious movement involving papal authorization the incentive of remission of sins pious motivation on behalf of the individual and the justification of holy war Much recent historiography in this area has focused on resolving the questions of what a crusade was and why people went on them But crusading became a cultural and social phenomenon that changed across time and geographical space In turn crusading was shaped by the ways specific crusades and their participants were remembered in specific historical contexts Moreover crusade memory had profound effects on the cultivation of family lineage kinship ties national and regional identity and religious orthodoxy Integrating memory into crusades scholarship thus offers new ways of exploring the aftermath of war the construction of cultural and social memory the role of women and families in this process and the crusading movement itself This book explores memory as a methodological means of understanding the crusades It engages with theories of communicative memory social and cultural memory war commemoration and historical processes of remembering Contributions explore the variety of cultural forms used in cultivating crusade memory Material visual liturgical and textual objects are all reflective of crusade culture and the process of crafting its memory and the analysis of such sources is of particular interest This publication furthers new trends in crusade scholarship which understand the crusades as a broad religious movement that called upon and developed within a wider cultural framework than previously acknowledged This book was originally published as a special issue of the Journal of Medieval History

**Monographic Series** Library of Congress,1979

**Daniel** Jacques Doukhan, 1987 Doukhan delves into the biblical text of the book of Daniel considering its words noting its literary movement and listening to its echoes throughout the Scriptures The result is a document with new information and reflection which challenges thought and nurtures hope

**The Book of Daniel- A Well Kept Secret** Charles Eisenberg, 2007-12 Eisenberg offers a comprehensive work on Daniel focusing particularly on the prophetic passage of Daniel 9 24 27 Christian

**Atonement and Ethics in 1 John** Christopher Armitage, 2021-06-17 Christopher Armitage considers previous theological perception of 1 John as a text advocating that God abhors violence contrasted with biblical scholarship analysis that focuses upon the text's birth from hostile theological conflict between insiders and outsiders with immensely hostile rhetoric directed towards antichrists and those who have left the community Armitage argues that a peace oriented reading of 1 John is still viable but questions if the commandment that the community loves each other is intended to include their opponents and whether the text can be of hermeneutic use to advocate non violence and love of one's neighbour This book examines five key words from 1 John hilasmos sfazo anthropoktonos agape and adelphos looking at their background and use in the Old Testament in both Hebrew and the LXX arguing that these central themes presuppose a God whose engagement with the world is not assuaging divine anger nor ferocious defence of truth at the expense of love but rather peace and avoidance of hatred that inevitably leads to violence and death Armitage concludes that a peacemaking hermeneutic is not only viable but integral to reading the epistle

**Library of Congress Catalogs** Library of Congress, 1980

**The Binding (aqedah) and Its Transformations in Judaism and Islam** Mishael Caspi, Sascha Benjamin Cohen, 1995 The story of the Binding of Isaac Aqedah has long attracted the attention of scholars Jewish Christian and Muslim thinkers still search for the most significant interpretations in order to strengthen their unique theological perceptions of the tale Christian scholars have often focused on parallels between the binding of Isaac and the crucifixion of Jesus However little serious research has been undertaken to examine the story of the binding as it appears in Jewish and Islamic traditions and see whether the parallel components could be found in the binding of Isaac vis a vis the binding of Ishmael The Koranic story does not mention a name for the one who is bound and Muslim scholars until the 12th century disputed the missing name some suggesting that it was Isaac others arguing that it was Ishmael

**National Union Catalog**, 1979 Includes entries for maps and atlases

**Progressive Dispensationalism** Ron J. Bigalke, 2005-10-27 The first book of its kind Progressive Dispensationalism presents a comprehensive and collaborative look at the arguments against and the errors within the progressive dispensationalist movement The authors begin with a history of dispensationalism and then provide detailed examinations of sixteen key issues including the hermeneutics of progressive dispensationalism the relationship between covenants and dispensations the Abrahamic Land Davidic and New Covenants cessationism and the dangers of progressive dispensationalism to premillennial theology Written by pastors professors and Ph D's from across the country Progressive Dispensationalism will serve as a valuable resource for Bible students scholars

and theologians navigating these complex issues      **Andrews University Seminary Studies** Andrews University.  
 Seventh-Day Adventist Theological Seminary,1996      *The Carved Wooden Torah Arks of Eastern Europe* Bracha  
 Yaniv,2017-08-01 Monumental carved wooden Torah arks were an outstanding feature of east European synagogues between  
 the seventeenth and the nineteenth centuries yet virtually none survived the Second World War Bracha Yaniv therefore  
 breathes a new life into a lost genre with this extensively researched meticulously documented and richly illustrated book  
 She is the first to paint a vivid portrait of their history and to offer a detailed explanation of the motifs that adorned them  
     **Subject Guide to Children's Books in Print 1997** Bowker Editorial Staff,R R Bowker Publishing,1996-09      Religious  
Books and Serials in Print ,1982      **Studies in the Hebrew Bible, Qumran, and the Septuagint Presented to Eugene**  
**Ulrich** Eugene Ulrich,Peter W. Flint,James C. VanderKam,Emanuel Tov,2006 With contributions by many of his colleagues  
 and former students this volume pays homage to Eugene Ulrich Chief Editor of the Cave 4 Biblical Scrolls and a foremost  
 expert on the Biblical Scrolls the Canon of the Hebrew Bible Old Testament and the Septuagint In line with Professor Ulrich's  
 areas of scholarship and interest the almost 30 essays are grouped in three main sections The Hebrew Bible Old Testament  
 including the Biblical Scrolls from the Judaean Desert Qumran and the Non Biblical Scrolls from the Judaean Desert and the  
 Septuagint and Other Ancient Versions The volume includes a tribute to Eugene Ulrich and ends with a cumulative  
 bibliography and several useful indices      *Subject Guide to Books in Print* ,2001      **Expectations about God and**  
**Messiah** Patrick Prill,2003 Written for both a Jewish and Christian audience it seeks to present the case that Jesus is the  
 Messiah in a non aggressive Jewish friendly way It also seeks to address many of the fundamental questions that Jews have  
 about the Messiah and about the claims that Jesus's followers make      Supplements to Vetus Testamentum ,1953
