Danish Emigrant Ballads and Songs Rochelle Wright, Robert L. Wright, 1983 **A Singing Ambivalence** Victor R. Greene, 2004 A Singing Ambivalence undertakes a comprehensive examination of the ways in which nine immigrant groups Irish Germans Scandinavians Eastern European Jews Italians Poles Hungarians Chinese and Mexicans responded to their new lives in the United States through music Each group's songs reveal an abiding concern over leaving their loved ones and homeland and an anxiety about adjusting to the new society But accompanying these feelings was an excitement about the possibilities of becoming wealthy and about looking forward to a democratic and free society known and unknown origins that comment on the problems immigrants faced and reveals the wide range of responses they made to the radical changes in their new lives in America His selection of lyrics provides useful capsules of expression that clarify the ways in which immigrants defined themselves and staked out their claims for acceptance in American society But whatever their common and specific themes they reveal an ambivalence over their coming to America and a pessimism about achieving their goals the United States while at the same time conveying from an aesthetic viewpoint how immigrants expressed their hopes and difficulties through a unique medium song This is an important volume that will be welcomed by scholars of music and U S immigration history **A Guide to the North American Collections of the Danish Emigration Archives** Nancy Bartlett, Aalborg universitetscenter. Endless Song Robert V. Wells, 2009 An engaging survey of what folk songs tell us about the American past Danish Emigration to the U.S.A. Birgit Larsen, Henning Bender, 1992 In the making of this book authors from the United States and Denmark have joined forces in describing many different aspects of both emigration and assimilation *The Cambridge History of American Music* David Nicholls, 1998-11-19 The Cambridge History of American Music first published in 1998

celebrates the richness of America's musical life. It was the first study of music in the United States to be written by a team of scholars. American music is an intricate tapestry of many cultures and the History reveals this wide array of influences from Native European African Asian and other sources. The History begins with a survey of the music of Native Americans and then explores the social historical and cultural events of musical life in the period until 1900. Scandinavian Studies, 1985. Includes Proceedings of the Society. *Multiculturalism in the United States* John D. Buenker, Lormen A. Ratner, 2005-03-30. Interest in ethnic studies and multiculturalism has grown considerably in the years since the 1992 publication of the first edition of this work. Co editors Ratner and Buenker have revised and updated the first edition of *Multiculturalism in the United States* to reflect the changes patterns and shifts in immigration showing how American culture affects immigrants and is affected by them. Common topics that helped determine the degree and pace of acculturation for each ethnic group are addressed in each of the 17 essays providing the reader with a comparative reference tool. Seven new ethnic groups are included: Arabs, Haitians, Vietnamese, Koreans, Filipinos, Asian Indians, and Dominicans. New essays on the Irish, Chinese, and Mexicans are provided as are revised and updated essays on the remaining groups from the first edition. The contribution to American culture by people of these diverse origins reflects differences in class, occupation, and religion. The authors explain the tensions and conflicts between American culture and the traditions of newly arrived immigrants. Changes over time that both of the cultures brought to America and of the culture that received them is also discussed. Essays on representative ethnic groups include African Americans, American Indians, Arabs, Asian Indians, Chinese, Dominicans, Filipinos, Germans, Haitians, Irish, Italians, Jews, Koreans, Mexicans, Poles, Scandinavians, and the Vietnamese.
