Shatterproof Tasha Eurich, 2025-04-01 Learn how to turn stress into strength in this impactful guide to navigating life s upheavals Susan Cain Are you working too much but feel like it s never enough Have you turned the act of pretending you re fine into an art form Does self care feel like one more item on your already long to do list We ve been taught that resilience is the secret to navigating life s most difficult moments But according to New York Times bestselling author

organizational psychologist and researcher Dr Tasha Eurich there is one problem with this assumption Scientifically resilience isn't an unlimited resource especially with the growing pressure and uncertainty we're experiencing today What if instead of merely bouncing back from stressors and setbacks we could harness them for forward growth Whether you're grappling with work stress personal challenges or the chaos of everyday life Shatterproof offers an urgent alternative to stoic endurance as the only strategy for survival Combining cutting edge research practical tools and insights from her own struggle with a life defining health crisis Dr Eurich will overturn your beliefs about what it takes to thrive through adversity offering a scientifically supported system to help you feel better do better and live better than before You'll discover how to Reclaim your best self when stress turns you into someone you barely recognize Uncover the unmet needs that keep you stuck in self limiting patterns Turn stress into strength exhaustion into energy and confusion into confidence Find peace in the present and be prepared for what the future holds And much more When we embark on this journey we learn that the things that break us can also uniquely remake us That is what it means to become shatterproof **America's**

Psychological Now Mardy Ireland, Teri Quatman, 2024-03-21 This book explores the causes behind Trump's victory in the 2016 US presidential election and asks how a psychoanalytic understanding of the social unconscious can help us plot a new direction for the future in US politics and beyond It first describes the social psychological threads that are the now of American culture Seeds of hope are discovered through an in depth examination of the American idea of excess as represented by Trump its archetypal figure Essential psychoanalytic ideas such as the fundamental human condition of living with both individual and social unconscious the psychic feminine principle the notion of psychic valence and more are illustrated as psychic integrations necessary for America to move towards a redemptive positive social change This book combines feminist exploration with playful illustrative imagery and mythic story aiming to awaken minds across generations America's Psychological Now is key reading for psychoanalysis psychologists political theorists and anyone wishing to understand better how the social and political systems could be changed for the future *National 4-H Club News*, 1942
