The Social Media Sales Revolution: The New Rules for Finding Customers, Building Relationships, and Closing More Sales Through Online Networking Landy Chase, Kevin Knebl, 2011-06-23 Cold calling is history; your future is in social media. The growth of LinkedIn, Twitter, and Facebook has revolutionized how business is done. Professionals of every type, including your prospective buyers, are migrating in droves to social media to find solutions. If you want their business, you have to be there too. Traditional sales methods like cold calling are no longer effective. Social media platforms are now your best tools. The Social Media Sales Revolution reveals the enormous opportunities now available for developing relationships and gaining new customers by leveraging the power of social media marketing. It provides a groundbreaking method for dominating markets by using the Internet to reverse the client acquisition process instead of outbound marketing to generate leads. The entire process will flip to one of inbound attraction. You'll learn how to present yourself to the business community online, build a significant online footprint, approach prospects, generate qualified leads through referrals, close more sales in the new world of social networking, providing you with an early edge on the competition. The Social Media Sales Revolution offers the techniques you need today to dominate the marketplace tomorrow.

Beyond Princess Culture Katherine A. Foss, 2019 *Beyond Princess Culture: Gender and Children's Marketing* explores the impact of a post-princess space, examining potential agency and empowerment in the products users while acknowledging that at least some alternatives continue to perpetuate components of the rigidly gender-coded princess culture. This book collectively critiques the commodification of the post-princess child consumer through analysis of historical and contemporary toys, video games, clothing, websites, and other popular culture phenomena. Guided by theories from feminist and gender studies, *Beyond Princess Culture* demonstrates how the marketing of children's products has and continues to perpetuate and challenge hegemonic notions of gender, race, ethnicity, ability, and other positions of intersectionality as situated in the social, economic, and historical contexts.
