Self-Studies of Teacher Education Practice Online Mary F. Rice, Ramona Maile Cutri, Juanjo Mena, 2024-05-20 This edited volume explores the emotional work of being an online teacher educator The chapter authors discuss the intense work involved in planning teaching and navigating intuitional contexts in order to build a relationship between online teaching and the Self Study of Teacher Educator Practice S STEP methodology Additionally the authors of the chapters in the book used the S STEP methodology to move their practices and their teacher educator identities beyond emergency crisis uses of online teaching common during campus building closures Each chapter offers different ways that S STEP methodology can be used to sustain oneself as an online teacher educator Although there are specific strategies and practices this is not a how to book for online teacher educating it is an exploration of online teachers and groups of online teachers supporting themselves and each other by studying and learning from their practices

Social Customer Experience Dave Evans, Joe Cothrel, 2014-04-14 Social Customer Experience Engage and Retain Customers through Social Media builds on the prior works of author Dave Evans As an update to Evans s earlier book Social Media Marketing the new Social Customer Experience connects the early cases presented in 2010 with significant contemporary examples key concepts and best practices associated with the adoption of social technology by global brands This latest edition offers a blueprint for transforming your organization s disparate social initiatives into a unified social experience strategy Most people know that social technologies are transforming business but few understand how those changes are happening across the organization Whether in marketing communications customer care digital media or product development these changes shape the way in which business manage the experience their customers have with the brand Filled with practical examples of what to do and illustrated with cases taken from real companies Social Customer Experience fills in the gaps for companies who want to do more with social than just listen and experiment Part I lays the groundwork by explaining the three waves of change that combine to form social customer experience social technologies and their impact on Web 1 0 digital infrastructures social customers and their impact on marketing and support operations and the new discipline of customer experience management that is reframing the old sales and service centric ways of thinking about how companies relate to customers Part I concludes by defining the social customer experience ecosystem both on and off your own web domain Part II Your Social Presence puts you on the ground with tactics and examples for how to apply social technologies and achieve your business objectives how to measure and analyze social data and show business value and how to implement a best practice approach to avoid common traps and pursue proven opportunities Part III digs deeper into the five building blocks of social customer experience organization

platform content people and tools What s a social experience organization look like What systems need to be in place How do you get the most out of the social objects content and other assets that are the byproduct of great social customer experiences How do connections between customers the social graph come into play And what applications will you use literally what will you empower your customers to do Part III answers these questions in the practical method driven style of authors Dave Evans and Joe Cothrel Social Customer Experience features detailed exercises that show you how to translate learning into action hands on tutorials using today s social media tools and platforms and compelling modern case studies from organizations of all sizes from the Fortune 500 to nonprofits and mom n pop main street shops As a bonus the book also features resources and references to connect readers with the current thought leaders and sources of timely information If you re interested in business and how business is being reshaped by social technology Social Customer Experience will show you a path to a new relationship with your customers customers not only buy your products and services but get more out of them and go on to become partners in your business selling supporting and innovating on your behalf
