YouTube journey     *YouTube Marketing* Charles Edwards, 2020-10-21 Are you looking for a guide to learn how to use YouTube in an effective way then keep reading YouTube is the top social network to place your videos and grow your business It s no wonder so many creators upload their content to YouTube In any given minute there are over 500 hours of video getting uploaded to YouTube YouTube also has over 1 billion users ever since its humble beginning on April 23 2005 when the first video was uploaded to YouTube With so much popularity some believe the platform has become oversaturated and success isn t possible for the new creator on the block That s just not true and the data and examples prove it It s still possible to take your channel from 0 to 100 000 subscribers in a year Is it hard Oh yes but there are people who do it to this day While that s more of an exception than the rule seeing some YouTubers achieve these results shows the platform is still filled with opportunity for new and seasoned creators alike I understand how frustrating it can be to grow a YouTube channel Before I became consistent on YouTube I was on and off with the platform If you don t know how to leverage the platform growth will be slow and the money won t be there We will help you grow your channel and start making money from your YouTube videos It s possible for any creator to make a big splash on YouTube The question boils down to how much work you want to put in to make it happen This book covers the following topics Why you should be marketing on YouTube Creating and optimizing your channel Understand your audience How to produce a great YouTube video The tools you need How to write a great title and description How to upload and edit a video to YouTube YouTube SEO How to create videos that convert YouTube monetization How to promote your YouTube channel YouTube advertising Using social media to promote your channel Analyze and adapt And much more Whether you re a small business owner or a personal blogger YouTube can be an amazing advertising platform for you or your business It can also be a means of earning passive online income if you re generating enough traffic It s estimated that for every 1000 viewers to your channel you will get paid approximately 2 That may not seem like much but start adding that that up with 1 million views and you re getting into the thousands of dollars Do that week after week and you ve got a full time income There are plenty of people that have made a successful living just on YouTube alone and that is still possible today With YouTube everyone starts with the same tools and everyone is given the same opportunity to connect with billions of people from around the world We will teach you everything you need to know to start a YouTube channel You will learn the secrets of the trade when it comes to growing your subscribers and viewership You will learn about the different revenue streams you can utilize when using YouTube as a marketing and advertising tool This book covers not only the basics but also advanced YouTube tips and tricks that can elevate your video marketing game Let s get started     *Youtube Mastery Marketing 2020* Robert Grow, 2019-11-11 Many people have discovered creative methods to earn money using the internet A money making technique that is currently popular today is the monetization of YouTube channels Whether you are a musician who wants to get some attention from music fans all over the world or a business owner who is establishing a video library for the products that you are selling monetizing your YouTube account is a

great way to build a reliable income provided you do it correctly There is a lot of misconception about YouTube as a social media platform Because of the ease with which users can update and create their own content it often seems like less of a social media network and more of a personal page But just because you can use Facebook Twitter and the like to promote your video doesn't mean that YouTube isn't a viable social media platform In fact YouTube can be seen as the heart of the social media platforms as its content is widely distributed throughout the other platforms In fact 400 tweets per minute contain a YouTube link and YouTube's search bar is the second only after Google YouTube has the benefit of having one of the most engaged audiences out of the social media platforms With tweets flooding Twitter news feeds and posts cluttering Facebook feeds it's harder than ever to reach followers on platforms However 85% of YouTube subscribers consider themselves regular YouTube users It's recommended that if you do pursue creating a YouTube channel that you have a professional team of producers and creators as the content uploaded should maintain a high standard However a lot of big Youtubers have started with just their mobile phone and a personality Now video content and a strong YouTube presence can be significantly harder to establish than say Twitter Facebook or Instagram But if video content were right for your brand it would be well worth the extra step As YouTube is free to set up and easy all you need is your Gmail address and you're set the company makes its massive profits from ads While they are reserved for those top budget players YouTube still has certain issues with the ads as they are considered a form of interruption messaging i.e. not organic content that is so highly favored on other social media platforms Essentially the paid ads are disrupting viewers from what they are doing on the site And with the ease of the Skip Now button the ads have a high chance of not being viewed if they are not properly targeted This guide will focus on the following Features and impact of YouTube YouTube tools to help you target viewers Creating great YouTube content How the YouTube algorithm works How to get more YouTube subscribers Making your videos Bringing in the traffic Picking a profitable niche and keyword research SEO YouTube channel goals you can control AND MORE
