Overthinking: A Thousand Thoughts Per Second Dhiraj Wadhwa, 2018-11-27 This book mentions my complete journey of how I overcame the control that my thoughts had on me and my life It simply tells the story of how and why I started overthinking and what helped me in getting back to the normal train of thoughts When you re an overthinker the number of things to think about can run out fairly quickly However your thoughts still do not stop And so you start over thinking about every single aspect of life even those that didn t matter to you before and they still don t its just you need something to think about And this need of excessive and redundant thinking is exactly what I overcame and pulled myself out of the rut of thoughts The freedom that I have now is indescribable and is worth being grateful for every single moment of my life The freedom that I have now is what I want to help you achieve
