Michael Ryan, 2023-01-31 Pandemic Pedagogies Teaching and Learning during the COVID 19 Pandemic provides critical insights into the impact of the pandemic on the education system pedagogical approaches and educational inequalities Education is often touted as the best way to promote social mobility and produce informed members of society The pandemic has significantly threatened those goals by temporarily disrupting education and exacerbating disparities in the education system The

scholarship in this volume takes a closer look at many of the issues at the heart of the educational process including teacher self efficacy the gendered and racialized impacts of the pandemic on education school closures and institutional responses Drawing on the expertise of scholars from around the world the work presented here represents a remarkable diversity and quality of impassioned scholarship on the impact of COVID 19 and is a timely and critical advance in knowledge related to the pandemic

*Latinos and Education in the time of COVID-19* Enrique G. Murillo Jr., Frances Contreras, Eligio Martinez Jr., Jacqueline E. Arroyo-Romano, 2024-12-02 This book focuses on the impact of COVID 19 on Latino a e x students families and communities across the educational continuum to better understand the challenges faced by them The COVID 19 pandemic has revealed the gross inequities that exist for Latino students with respect to access to quality technology highly qualified and culturally competent teachers bilingual or multilingual information for parents and printed materials and support for students and their parents as they move to online formats This book documents the multifaceted impact on Latino students and their families as they attempted to navigate educational spaces It offers important insights into interventions and responsive policy to ensure Latino students are afforded equitable solutions and educational opportunities institutions and systems by focusing on the following

- 1 How are Latino students parents and communities responding to the demands of education while balancing the adverse effect of COVID 19 on their families and community
- 2 How are IHEs responding to the needs of their diverse students Are they providing broader supports to their first generation low income or immigrant students
- 3 What role does education policy have in ensuring broader Latinx access and opportunity and ultimately impacting a rebound strategy at the local state and national level

As Latino students are more likely to be first generation students or the children of immigrants in many states it is critical for public education systems to provide academic infrastructure that is asset based culturally and resource responsive and committed to equity This unique publication which first appeared as a special issue of the Journal of Latinos and Education provides an important account of the varied experiences of Latino students at all levels across the educational continuum during the COVID 19 pandemic
