Bolick New York Times bestselling author this is a thoroughly researched and deeply personal examination of how women  
unintentionally condone workplace abuse and what we can do to change things for the better When Reah Bravo began  
working at the Charlie Rose show the open secret of Rose s conduct towards women didn t deter her from pursuing a  
position she thought could launch her career in broadcast journalism She considered herself more than capable of handling  
any unprofessional behavior that might come her way But she soon learned a devastating truth we don t always react to  
abusive situations as we imagine we will When we live in a society where many feminist ideals are mainstream and women  
hold positions of power how is it possible that sexual misconduct remains prevalent When many employers mandate trainings  
to prevent harassment of all kinds why is workplace abuse still so rampant Weaving her own experience with those of other  
women and insights from experts Bravo reveals the psychological and cultural forces that make us all enablers of a sexist and  
dangerous status quo At a critical time in the ongoing fight for gender and racial justice Bravo has written an empathic and  
concise book that will inspire the next generation of voices courageous enough to rage against the machine Rebecca Carroll

the subject Communications Multimedia Internet New Technologies grade 1 3 Institut für Interpretation und Sprachen München  
course Zeitgeschehen Englisch language English abstract In the last years social media platforms have experienced a boom  
that is hard to compare with anything similar before There is hardly anybody that does not have his own Facebook account  
and probably everybody has watched at least one video on YouTube in his life Those few people without Facebook are being  
watched skeptically usually accompanied by the question how can you live without it without feeling excluded This shows  
how important social media has become in our everyday lives and that we no longer can imagine living without being  
connected 24 7 The following paper will first give a general insight into the development of social media and social media  
platforms with a focus on Twitter and Facebook and then show their importance and influence on the presidential elections  
in the United States of America in 2012 At the end there will be a short forecast about how social media will probably
