Daily Readings From Prayers And Praises In The Celtic Tradition:

The Celtic Way of Prayer Esther De Waal, 2014-04-25 Esther de Waal's classic guide to Celtic spirituality shows how its rich literary traditions and earthy realism can speak to the toughness and challenges of our own world. Avoiding sentimentality, she presents a spirituality that can be lived with honesty, commitment, and truthfulness. **Daily Readings from Prayers and Praises in the Celtic Tradition** A. M. Allchin, 1987-04-01 Praise, My Soul Nancy Roth, 2001 Author Nancy Roth says: Exploring the church's rich tradition of hymnody has been an important part of my life over the last few years. I have found myself drawn in an extraordinary way into the stories of the poets, saints, martyrs, and quite ordinary people who wrote our hymn texts. The words of a hymn draw me into God's presence, creating a quiet space for reflection and contemplation. Often I find that the texts voice my own prayer. Like an alternative prayer book, *Praise My Soul* contains selections from Roth's previous three books of hymn meditations in a special large print format to make these meditations more easily accessible to all readers. Nancy Roth's love and enthusiasm for the history and poetry of hymns gives the reader a richer and more complex understanding of even the most familiar hymns, transforming the experience of song into an experience of prayer. Songs of Celtic Christianity Dennis Doyle, Paula Doyle, 2010-10-07 A collection of 26 hymns in celebration of the rich heritage of Celtic Christianity, including Irish music from traditional sources and original songs derived from ancient prayers. Each song is presented with an explanation of its background, allowing the reader to delve deeply into this fascinating era of Christianity, marked by the missionary work of St. Patrick and St. Brigid. All of the songs include lyrics, some in both English and Gaelic. The music is presented as simple melody arrangements with guitar chords. Audio available online. *Daily Readings with the Desert Fathers* Publishing Templegate, Desert Fathers, 1990-05 Essays in Faith and Learning Michael Bollenbaugh, Steven N. Goetz, 2015-12-07 This book represents the collected thinking of a few people who have had strong personal connections to Dr. Song Nai Rhee. Because the integration of faith and learning is a core value held by Dr. Rhee, the various authors have written essays on this topic in honor of his life and work. Such a book is typically referred to as a *Festschrift*, a celebratory writing given for a special person. Dr. Rhee's robust career at Northwest Christian College University is celebrated by the essays brought together in this book. All the authors have known Dr. Rhee as students or as academic colleagues or both. What they write about ranges from topics found in biblical literature to expressly theological ideas to matters that are eminently practical. Yet each essay is held in place by its relevancy to the ongoing conversations about how faith and learning are integrated in the context of the Christian liberal arts university. More important, each author has a deep and abiding respect for Dr. Song Nai Rhee. His teaching and mentoring at Northwest Christian College University have left an indelible mark on each of their lives. **A Eucharist Sourcebook** J. Robert Baker, Barbara Budde, 1999 The Sourcebook series of anthologies gathers prose and poetry, hymns and prayers from various times and traditions, all centered on a particular theme from the seasons of the church year to the foundational moments in

the life of a Christian Each collection offers a treasury of wisdom for use in homilies prayer services and personal meditation
