Father Ronald Clem, 2009 *Sins of the Father* is the story of three families drawn together by the common bond of childhood abuse and crisis. It is their struggle to save their children and also through their pain help other families prevent this devastating plague of sexual predation. Sitting in a Teens in Crisis support group for parents with children involved in crisis behaviors, recent stories from parents have all been the same: Children as young as 10 years of age abusing drugs, alcohol, involved in aberrant sexual practices and participating in criminal behavior that is beyond imagination. For each of us, over the years, mentoring families has become our passion. Helping parents understand the gravity of their children's behavior and how perilous their children's actions can be. Providing resources that facilitate their children receiving help and, of course, helping the parents understand the inevitable question: How could this happen to us? The room is filled with parents, each with their own memory of their children's choice to give up on life, each feeling the pain and confusion of these new parents. One member of the group steps forward and shares how his father had been sexually abused when he was only ten. His father had not been able to receive counseling or help, resulting in a lifetime of broken relationships, pain, and confusion. He relates how his father chose to leave his family for fear of abusing his own son. Another parent shares having been molested by a babysitter, and yet another shared being raped by an older predator. Following these stories, each member of the group shared their experiences about what is needed to live a successful life: A life without fear, shame, or regret. This is their story. This is our story. Read with an open heart.

In this third book in the Humor Me series, readers will find hilarious ways to age both ferociously and joyfully. Created especially for those who are young at heart but slightly older in other places.

Joy, a twelve-year-old trans girl just moved to Texas with her mother and older brother. Her family has accepted Joy as the girl she is early in her transition with little fuss, leaving Joy to explore her love of sports, competition, teamwork, school spirit, and worship. But when she is told she's off the cheerleading team, Joy wants to fight for her right to cheer. As her battle with the school board picks up momentum, Joy attracts support from kids all around the country; she even gets the attention of her hero trans activist Kai Shappley. Refreshing Hope in God Judy Dippel, 2003-10 The love we hold in our hearts for our children is a beautiful glimpse of heaven and one that creates emotions of every shape and size. In that love, we laugh and cry, stretch and grow. Where do you turn when you experience unexpected postpartum depression? How do you hold on to the goodness you know to be at the core of your child when there is little outside evidence? What do you do when your children's choices have them dangling on the edge and you too, as you hold on to them with all the strength you can muster? My answers came through Jesus Christ. If parenting books only add to your guilt and frustration, this is the book for you because God will meet you wherever you are.
