**Daisaku Ikeda, Ambassador of Peace** Gary McCarty, 1984      Daisaku Ikeda's Philosophy of Peace Olivier Urbain, 2010-03-30 Who is Daisaku Ikeda At one level he is the leader of a religious movement Soka Gakkai which began in Japan where it still has its headquarters but which now claims 12 million adherents around the world At another level he is a globetrotting figure whose formal conversations with diverse writers thinkers and diplomats including Arnold Toynbee Joseph Rotblat and Mikhail Gorbachev have garnered him an international profile as well as academic recognition Perhaps above all else Daisaku Ikeda is viewed as a campaigner for peace And it is Ikeda's specific contribution to peacebuilding notably through the central emphasis he has placed on the significance of dialogue that this book explores the first to do so in a concerted way Olivier Urbain shows that while Soka Gakkai the value society may stem from the medieval principles of Nichiren Buddhism under Ikeda's leadership it has taken these classic wisdoms and transformed them Now essentially classless and secularised as well as adaptable and sensitive to modern challenges like resource shortages and climate change this argues the author is a pragmatic approach to peace which has proved both popular and eminently transportable      *The Record of My Life* Daisaku Ikeda, 2023-12-01 In these fascinating personal essays we can get a glimpse into the heart and mind of a great champion of peace as he reminisces about significant events in his life and some of the people he's met We not only will gain a new appreciation of President Ikeda's wide ranging efforts for peace culture and education as he traveled the world for sake of people's happiness but we will learn lessons we can apply as we too strive to be ambassadors of peace
