Dal Definitive Istante Poesie Scelte E Inediti

Carlo Betocchi

Dal Definitive Istante Poesie Scelte E Inediti:

Disarming Beauty Julián Carrón, 2017-05-01 In 2005 Father Julián Carrón became the leader of the global ecclesial movement Communion and Liberation following the death of the movement's founder Father Luigi Giussani. *Disarming Beauty* is the English translation of an engaging and thought provoking collection of essays by one of the principal Catholic leaders and intellectuals in the world today. Adapted from talks given by Fr Carrón these essays have been thoroughly reworked by the author to offer an organic presentation of a decade long journey. They present the content of his elaboration of the gospel message in light of the tradition of Fr Giussani, the teachings of the popes and the urgent needs of contemporary people. Carrón offers a broad diagnosis of challenges in society and then introduces their implications in contexts such as families, schools, workplaces and political communities. In a dialogue with his listeners he inspires and encourages them to lay out a new path for the Catholic church and the world. Throughout his essays Carrón addresses the most pressing questions facing theologians today and provides insights that will interest everyone from the most devout to the firm nonbeliever. Grappling with the interaction of Christian faith and modern culture Carrón treats in very real and concrete ways what is essential to maintaining and developing Christian faith and he invites an ongoing conversation about the meaning of faith, truth and freedom. *Catalogo dei libri in commercio*, 2003 *Dal definitivo istante* Carlo Betocchi, 1999 Epoca, 1966
