hometowns of the many visitors fascinated by Thailand but it certainly came to the Land of Smiles While the Thai media is heavily censored and bad news stories about tourists suppressed nonetheless there is more than enough evidence to demonstrate that something has gone seriously awry with the nation's tourist industry In 2014 just as in the years preceding it there were train bus ferry speedboat motorbike and car accidents murders knifings unexplained deaths numerous suicides diving accidents robberies gone wrong anonymous bodies washing up on the shores and a string of alcohol and drug related incidents Thailand had a dying king and serious succession problems weak democratic institutions an economy slipping into recession faced issues of corruption across many of its key services and was host to international crime syndicates awash with despised foreigners and drifting perilously towards civil war Tourists choose one destination over another for a number of reasons most of which Thailand scores highly on But on the core issue of tourist safety Thailand scores very badly indeed
