Ware is a young Methodist pastor raised in a strict religious tradition and without much of a worldly education. As his career begins, he quickly finds himself reassigned to a congregation in Octavius, a small town in the Adirondacks. As Ware and his wife settle into their new roles in small town America, he meets Celia, a young girl fascinated by music, poetry, and literature, and he quickly finds himself struggling with both carnal temptation and the world of experience outside of religion. *The Damnation of Theron Ware*, published in the U.K. as *Illumination*, is Frederic's most famous novel. Its realistic style, Frederic modeled the fictional Octavius after Utica, New York, paints a nuanced portrait of the small town American religious life of the era. It was received very positively, becoming the fifth best-selling book in the U.S. in 1896, with outfits like the *Chicago Tribune* saying that it is a book which every one must read who wishes to hold his own in popular literary discussions. It garnered literary allusions in works like *Main Street*. Like *Main Street*, *The Damnation of Theron Ware* skewers small town life, but unlike *Main Street*, its primary focus is religion. It also earned a mention from F. Scott Fitzgerald, who in a letter wrote that he once considered it the best American novel. This book is part of the Standard Ebooks project, which produces free public domain ebooks.
