*The Filleys* Donald G. Southerton, 2005-06-10 *The Filleys 350 Years of American Entrepreneurial Spirit* provides snapshots into American entrepreneurship history for a broad readership through a series of biographic essays. These stories centering on the accomplishments of one family provide vivid insights into entrepreneurialism in America spatially across the country and temporally over three centuries. Author Don Southerton guides the reader through multiple generations of the Filley family beginning in 17th century Puritan New England. The saga includes the rise of the Yankee trader, land speculation, and the development of American manufacturing. The Filley business endeavors represent a slice of the American entrepreneurial experience. Moreover, this experience was shared by many thousands of other Americans whose families can be traced to colonial times. Together they raised families, embraced capitalism, and built this country. The portraits of people and events in this saga provide us with a revealing and instructive glimpse into times long gone and allow us to connect vicariously to a part of our collective past.

**Those Damned Yankees** Clarke Canfield, 2005. Countering the myth of New York Yankee infallibility, *Those Damned Yankees* relates the trials and tribulations of baseball's most hated team and serves as the definitive guide for those who hate them. Author Clarke Canfield, a longtime New England journalist, relates every rich and juicy detail: the disastrous seasons, the blowout losses, the infantile behavior of players, the horrible trades, and all the crushing playoff and World Series defeats. It is a book to warm the hearts of Yankee haters and true baseball fans everywhere. Canfield has enlisted the help of some well-known media personalities and sports reporters to help him relate the intense emotions that are stirred by those who wear pinstripes. The book features essays by former Red Sox pitcher Bill Lee, Dale Arnold of WEEI radio, Tom Caron of NESN, Kevin Thomas of the Portland Press Herald, John Holyoke of the Bangor Daily News, and Kevin Witt of the Times Herald Record of Middletown, New York.

*Baseball's Greatest Series* Chris Donnelly, 2010-01-15. *Baseball's Greatest Series* details what many believe to be the most exciting postseason series in baseball history: the 1995 Division Series between the New York Yankees and the Seattle Mariners. This division series was not simply about two teams playing five postseason games. It was about Ken Griffey Jr., Lou Piniella, Buck Showalter, Gene Michael, Jim Leyritz, Randy Johnson, Wade Boggs, Tony Fernandez, Pat Kelly, Dion James, Darryl Strawberry, and many others who changed the course of baseball history. A team playing to keep baseball alive in the Pacific Northwest. A manager who was literally managing for his job. A New York sports icon who for one week reminded everybody of the dominating player he had been a decade earlier. Chris Donnelly's replay of this entire season reminds readers that it was a time when grown men cried their eyes out after defeat, and others just a few hundred feet away poured beer and champagne over one another while 57,000 people in Seattle's Kingdome celebrated. Five games they were. Five games that reminded people after the devastating players strike in 1994 how great a game baseball is because comebacks are always possible, no matter how great the

obstacles may seem From Don Mattingly's only postseason home run which caused a near riot to Edgar Martinez's legendary eleventh inning series clinching double Donnelly chronicles the earlier struggles of both teams during the 1980s their mid 1990s resurgence all five heart stopping games of the series and the dramatic and long lasting effects of Seattle's victory Simply stated Baseball's Greatest Series hits a home run **Damn Yankee!** William Joseph Chute,1978 **Wilson's Creek** William Garrett Piston,Richard W.
