Blood, Land, and Sex Lyda Favali, Roy Pateman, 2003-06-18 In Eritrea state traditional and religious laws equally prevail but any of these legal systems may be put into play depending upon the individual or individuals involved in a legal dispute Because of conflicting laws it has been difficult for Eritreans to come to a consensus on what constitutes their legal system In *Blood Land and Sex* Lyda Favali and Roy Pateman examine the roles of the state ethnic groups religious groups and the international community in several key areas of Eritrean law blood feud or murder land tenure gender relations marriage prostitution rape and female genital surgery Favali and Pateman explore the intersections of the various laws and discuss how change can be brought to communities where legal ambiguity prevails often to the grave harm of women and other powerless individuals This significant book focuses on how Eritrea and other newly emerging democracies might build pluralist legal systems that will be acceptable to an ethnically and religiously diverse population

Mussolini, Mustard Gas & the Fascist Way of War Charles Stephenson, 2025-11-04 Physically the book is well produced has numerous maps where they need to be in the text and is well footnoted a must read in English for understanding the war The NYMAS Review In early October 1935 and without any declaration of war some two hundred thousand men comprising soldiers and airmen of the Italian armed forces Fascist Blackshirt Militia Eritrean ascari and Somali dubats invaded the independent state of Ethiopia Abyssinia It was an operation entirely of choice the chooser being Il Duce Benito Mussolini The resultant conflict is often described as a colonial war while it was certainly launched with the intent of turning Ethiopia into an Italian possession it was in fact a war of aggression against an independent sovereign state with membership of the League of Nations A state that had according to one of its nineteenth century rulers been for fourteen centuries a Christian island in a sea of pagans The swiftness of the Italian victory resulted from their possession and ruthless use of technology most particularly aircraft mustard gas and motorisation mechanisation Since they were fighting an enemy who possessed none of these things then they were able to wage indeed inaugurate what the prominent military

theorist JFC Fuller dubbed totalitarian warfare or as it became known a few years later total war This he opined was the Fascist the scientific way of making war In his considered view the Fascist Army that waged it was a scientific military instrument This book examines that campaign in military and political terms **Golden Legends** W. B. Carnochan,2008 From the eighteenth century to the present travellers explorers journalists imaginative writers like Samuel Johnson and legendary reggae musician Bob Marley have shared a fascination with Abyssinia So did even earlier writers and mapmakers who thought Abyssinia was the land of the mythical and fabulously rich Christian ruler Prester John The principal subject of this book is the allure of the exotic as represented by Abyssinia to the British imagination In addition to Johnson and Marley some others included are the eighteenth century Scot James Bruce nineteenth century explorer Richard Burton author Evelyn Waugh Wilfred Thesiger best known of twentieth century British explorers Sylvia Pankhurst crusading journalist and daughter of the suffragist Emmeline Pankhurst and the contemporary Irish traveller Dervla Murphy The author also considers the beginnings of anthropology and the variations of quest narrative in modern travel writing **The Middle East** ,1997 **My Life and Travels** Wilfred Thesiger,2002 An anthology of writings and photographs celebrating the contribution of one of the country s most distinguished and enduring travel writers and the century s greatest living explorer At the age of 23 three years after attending the coronation of Haile Selassie Thesiger made his first expedition into the country of the murderous Danakil tribe Since then he has traversed the Empty Quarter twice spending five years among the Bedu followed by several years living as no Westerner had in the strange world of the Marshmen of Iraq Later he made many mountain journeys in the awesome ranges of the Karakoram the Hindu Kush Ladakh and Chitral **A Vanished World** Wilfred Thesiger,2001 Wilfred Thesiger s superb portraits of tribal peoples have earned him worldwide recognition as a photographer Using a simple box camera which had belonged to his father Thesiger began his photographic career during a short hunting trip in Ethiopia in 1930 and used the same camera to photograph hostile Danakil tribesmen when he returned three years later to explore the Awash river Whilst in the Sudan and now equipped with a Leica 35mm Thesiger portrayed the Muslim tribes in Northern Darfur pagan Nuer in the Western Nile swamps and Nuba wrestlers Among Ethiopia s Danakil he had travelled as a European accompanied by servants but here he lived increasingly on equal terms with his followers and his photography mirrors this changed attitude The dramatic visual impact of Arabia s deserts fully awakened Thesiger s latent talent for portraiture and composition During his five years in Arabia from 1945 50 he was able to depict his Bedu companions with a sensitivity and power only suggested by his pre war photographs Conceived in the harshest of settings these Arabian pictures bear eloquent testimony to the inspirational effect the desert had upon this great traveller In contrast tranquil images of reeds waterways and lagoons characterize Thesiger s matchless portraits of the Marsh Arabs of Iraq in which he captures a world which has now completely disappeared In the seldom visited regions of Kurdistan Pakistan and Afghanistan Thesiger took many photographs of their striking inhabitants who remained thoroughly unselfconscious in front

of the camera as did the graceful tribespeople of northern Kenya and Tanzania later in Theiger's eventful life. These unique portraits were all taken under exceptional conditions. Together they provide a magnificent pictorial record of diverse cultures and vanished worlds. Publisher description: The Tablet, 1997. The international Catholic weekly. **The Literary Review**, 1996. **Ethiopia** John Graham, 2001. Ethiopia is a land of endless stories and histories many never heard outside this elusive country. With a history stretching back more than 3 000 years Ethiopians are a justifiably proud people. John Graham has tirelessly traversed Ethiopia and explored many nooks and crannies of this ancient country in an effort to tell the story of its peoples. Ethiopia Off the Beaten Trail is an informal and informative look at a country that is generally overlooked as a tourist destination. After decades of isolation Ethiopia is now opening its arms to visitors again. From the Aksum to the remote mountain monastery where the Ark of the Covenant is said to be kept Graham paints a vivid picture of Ethiopia and provides a window to its unseen gems. *Sarah Anderson's Travel Companion* Sarah Anderson, 2004.
