Dance Technology Current Applications And Future Trends:

Dance Technology. Current Applications and Future Trends, 1989 *Controls and Art* Amy LaViers, Magnus Egerstedt, 2014-01-23 Dancing humanoids robotic art installations and music generated by mathematically precise methods are no longer science fiction in fact they are the subject of this book This first of its kind anthology assembles technical research that makes such creations possible In order to mechanize something as enigmatic and personal as dance researchers must delve deeply into two distinct academic disciplines control theory and art Broadly this research uses techniques from the world of art to inspire methods in control enables artistic endeavours using advanced control theory and aids in the analysis of art using metrics devised by a systems theoretic approach To ensure that artistic influences are well represented the individual chapters are focused so that they relate their contribution to the arts meaningfully and explicitly Specially composed introductions set up the contributions either in terms of inspiration by artistic principles or their contribution to the arts through new analysis tools To facilitate this the majority of the chapters are authored jointly by experts in control theory and by artists including dancers choreographers puppeteers and painters Connections between controls and art then permeate the text so that these important relationships play a central role in the book *Controls and Art* surveys current projects in this area including a disco dancing robot a reactive museum exhibit and otherworldly music and illuminates open problems and topics for research in this emerging interdisciplinary field It will draw attention both from experts in robotics and control interested in developing the artistic side of their creations and from academics studying dance theater music and the visual arts with an interest in avant garde means of production **Resources in Education**, 1990-02 **UCLA Journal of Dance Ethnology**, 1994 **Journal of Physical Education, Recreation & Dance**, 1990 **Interfacing Dance and Technology** Isabel Cavadas Valverde, 2004 [Capturing Human Motion](#) Michelle Corinne Nesbit, 1996 **Dance Research Journal**, 1990 **Proceedings Society of Dance History Scholars** Society of Dance History Scholars (U.S.).
