Zempel, 1994      **The National union catalog, 1968-1972** ,1973      Library of Congress Catalogs Library of Congress, 1976      **Library of Congress Catalog** Library of Congress, 1970 Beginning with 1953 entries for Motion pictures and filmstrips Music and phonorecords form separate parts of the Library of Congress catalogue Entries for Maps and atlases were issued separately 1953 1955      **National Union Catalog** ,1978      We, the Children of Cats Tomoyuki Hoshino, 2012-07-17 A man and woman find their genders and sexualities brought radically into question when their bodies sprout new parts seemingly out of thin air A man travels from Japan to Latin America in search of revolutionary purpose and finds much more than he bargains for A journalist investigates a poisoning at an elementary school and gets lost in an underworld of buried crimes secret societies and haunted forests Two young killers exiled from Japan find a new beginning as resistance fighters in Peru These are but a few of the stories told in We the Children of Cats a new collection of provocative early works by Tomoyuki Hoshino winner of the 2011 Kenzaburo Oe Award in Literature and author of the powerhouse novel *Lonely Hearts* Killer PM Press 2009 Drawing on sources as diverse as Borges Nabokov Garcia Marquez Kenji Nakagami and traditional Japanese folklore Hoshino creates a challenging slyly subversive literary world all his own By turns teasing and terrifying laconic and luminous the stories in this anthology demonstrate Hoshino s view of literature as an art that wavers like a heat shimmer between joy at the prospect of becoming something else and despair at knowing that such a transformation is ultimately impossible a novel s words trace the pattern of scars left by the struggle between these two feelings Blending an uncompromising ethical vision with exuberant freewheeling imagery and bracing formal experimentation the five short stories and three novellas included in We the Children of Cats show the full range and force of Hoshino s imagination the anthology also includes an afterword by translator and editor Brian Bergstrom and a new preface by Hoshino himself      *Catalog of Copyright Entries, Third Series* Library of Congress. Copyright Office, 1970 The record of each copyright registration listed in the Catalog includes a description of the work copyrighted and data relating to the copyright claim the name of the copyright claimant as given in the application for registration the copyright date the copyright registration number etc      **23 Shades of Black** Kenneth Wishnia, 2012-06-01 *23 Shades of Black* is socially conscious crime fiction It takes place in New York City in the early 1980s i e the Reagan years and was written partly in response to the reactionary discourse of the time when the current thirty year assault on the rights of working people began in earnest and the divide between rich and poor deepened with the blessing of the political and corporate elites But it is not a political tract it s a kick ass novel that was nominated for the Edgar and the Anthony Awards and made Booklist s Best First Mysteries of the Year The heroine Filomena Buscarsela is

an immigrant who experienced tremendous poverty and injustice in her native Ecuador and who grew up determined to devote her life to helping others She tells us that she really should have been a priest but since that avenue was closed to her she chose to become a cop instead The problem is that as one of the first Latinas on the NYPD she is not just a woman in a man's world she is a woman of color in a white man's world And it's hell Filomena is mistreated and betrayed by her fellow officers which leads her to pursue a case independently in the hopes of being promoted to detective for the Rape Crisis Unit Along the way she is required to enforce unjust drug laws that she disagrees with and to betray her own community which ostracizes her as a result in an undercover operation to round up undocumented immigrants Several scenes are set in the East Village art and punk rock scene of the time and the murder case eventually turns into an investigation of corporate environmental crime from a working class perspective that is all too rare in the genre And yet this thing is damn funny too

**Braided Lives** Piercy, Marge, 2013-09-01 Marge Piercy carries her portrait of the American experience back into the Fifties that closed repressive time in which forces for the upheavals of the Sixties ticked away underground Spanning twenty years and teeming with vivid characters Braided Lives tells the powerful unsentimental story of two young women coming of age Jill fiercely independent dark Jewish an intellectual with Detroit street smarts is a poet curious avid of life a professional student and sometime thief Donna Jill's cousin and closest friend is blond pretty and alluring Together they grow and change at college in Ann Arbor where the life of poets and painters contrasts sharply with the working class neighborhood where Jill's family lives In Michigan and afterward in New York City the two women taste love and betrayal friendship and pain independence and fear as they reach a deepening understanding that to control their lives they must fight And though their fates differ as widely as their personalities both reflect the danger that sex posed at a time when abortions were illegal and an affair could destroy a woman's life making the outcome of a chance encounter or a night of love a matter of life and death Braided Lives is an enduring portrait of the past that has led to our tenuous present In her new introduction to this edition Marge Piercy reflects on both the most autobiographical of her novels and the ongoing battles to ensure the hard fought victories of the Sixties and Seventies particularly around sex and reproductive rights The Iroquois Eagle Dance William

N. Fenton, 1991-10-01 Originally published as Bulletin 156 of the Bureau of American Ethnology Smithsonian Institution in 1953 this volume explores the celebration of the Eagle Dance in New York and Canada during the 1930s and its relationship to the widespread Calumet Dance of the 17th century Also included is Kurath's detailed analysis of the Eagle Dance music and choreography based on Fenton's recordings and on her own observations of local performances **The Publishers**

**Weekly**, 1988 *Love and Struggle* David Gilbert, 2011-12-30 A nice Jewish boy from suburban Boston hell an Eagle Scout David Gilbert arrived at Columbia University just in time for the explosive Sixties From the early anti Vietnam War protests to the founding of SDS from the Columbia Strike to the tragedy of the Townhouse Gilbert was on the scene as organizer theoretician and above all activist He was among the first militants who went underground to build the clandestine

resistance to war and racism known as Weatherman And he was among the last to emerge in captivity after the disaster of the 1981 Brink s robbery an attempted expropriation that resulted in four deaths and long prison terms In this extraordinary memoir written from the maximum security prison where he has lived for almost thirty years Gilbert tells the intensely personal story of his own Long March from liberal to radical to revolutionary Today a beloved and admired mentor to a new generation of activists he assesses with rare humor with an understanding stripped of illusions and with uncommon candor the errors and advances terrors and triumphs of the Sixties and beyond It s a battle that was far from won but is still not lost the struggle to build a new world and the love that drives that effort A cautionary tale and a how to as well Love and Struggle is a book as candid uncompromising and humane as its author *AB Bookman's Weekly* ,1998 *Fiction, 1876-1983: Titles* R.R.
