Dancehall Days:

Dancehall Days George O'Brien, 1988 *The Last Disco* Sean Murray, Christine Bohan, Nicky Ryan, 2024-08-08 A tragic fire at the Stardust nightclub on Valentine's Day 1981 in a working class suburb of Dublin caused the deaths of 48 young people with an average age of just 19 years After years of families and survivors fighting to find out what really happened new inquests held in 2024 finally revealed the full story In 1981 the Stardust nightclub in Dublin was a beacon for the city's nightlife until it became a nightmare On that fateful Valentine's Day the dance floor became a scene of horror as flames engulfed the venue claiming the lives of 48 young people and leaving the survivors scarred forever In this gripping account the harrowing true story is revealed citing new evidence brought forward during recent inquests in the relentless pursuit of justice Through the eyes of the survivors the families and investigators compiled with meticulous research and compassionate portrayals of their voices this poignant book honours the memories of those who were lost while shedding light on the tragedy that still shocks the nation to this day Dancehall Days Michael O'Reilly, 2014 Blending dynamic live shots with intimate portraits and candid Dancehall Days is a collection of over 300 stunning black and white photographs drawn from Michael O'Reilly's personal archive **Close** Robert Blain, 2021-02-14 When people think of 60s Britain they think of The Beatles Twiggy and Michael Caine womanising his way through London But miniskirts and The Who didn't mean anything to the working man in Scotland The shipyards are failing sectarianism still holds sway and the only thing you have to rely on along the banks of the Clyde is your work your creed and your family But with the first two failing and the last one slipping away what's left to cling to Close is a story of family and belonging that begins in Glasgow and ends in Australia It's the story of Jimmy Baxter a working class husband and father a failed footballer and a middling boxer He wants out of the city out of his own skin but his shameful past as an illegitimate child holds him back Looking for a place in the world he befriends two men one a German immigrant who survived the World War II bombing raids Jimmy helped create the other a well connected art dealer who goes on to seduce Jimmy's own wife As events sweep by the pair's violent deaths in which Jimmy plays unwitting roles eventually give him the strength to realise that clinging to the past is not the answer Meanwhile in modern day Melbourne the Baxters descendant makes his own search into the past to reconstruct the circumstances that led to his birth tracking down the historic clues of Jimmy and Jude Baxter's life in Glasgow and the truth that brought his family to Australia in the first place Are You Dancing? Rebecca S. Miller, 2025-05-06 From the mid 1950s to the mid 1970s showbands were all the rage among Ireland's dancing audiences Performing covers of rock n roll and pop hits from American and British weekly Top 10 charts they riveted their fans dismayed many parish priests and offered Irish youth a taste of modernism and pop culture from outside of Ireland In *Are You Dancing* Rebecca S Miller tells the story of how these working class bands brought new sounds and choreographies to the Irish and Northern Irish pop landscape Both as a response to and an agent in Ireland's changing economic landscape showbands quickly grew into a hugely lucrative

commercial industry At the same time they nudged open doors for Irish women to take to the stage as pop stars rewarded a generation of entrepreneurs and created the template for Ireland's popular music industry Miller draws upon interviews with more than 80 musicians agents managers fans and clergy to reveal the vast interplay of social economic and cultural changes that ensued with the Irish showband era Drawing upon an extensive catalog of ethnographic and archival research Miller presents an overlooked era of musical performances that revolutionized Irish entertainment **Albert Reynolds** Conor Lenihan,2021-09-01 In *Albert Reynolds Risktaker for Peace* Conor Lenihan takes the reader on a journey through the former Taoiseach's fascinating life From his early days in Roscommon Reynolds determination and hard work saw him rise from a humble clerical job with Irish Rail to become one of Ireland's best known showbiz promoters But it is as creator of the template for peace on the island of Ireland that he deservedly will be best remembered Reynolds extraordinary progress from the cut throat world of business to local politics and ultimately government ministries was driven by the entrepreneurial spirit and impatience that became the hallmark of his success and his failure Appointed as Taoiseach in 1992 by 1994 he had been drummed out of office yet in that brief period he confounded his critics by fast tracking an end to the violence of the Troubles with the IRA and Loyalist ceasefires In the first complete biography of Reynolds former Minister of State Conor Lenihan delivers an insider's account that reveals the courageous personal risks Reynolds took to create the template for peace in Ireland and the highs and lows of a tempestuous risk taking life *Welcome to the Graphic Design Age* Kevin Curtis,2004-11 **The Cracked Art World** Kayla Rush,2022-06-10 This book presents a nuanced view of Northern Ireland a place at once deeply mired in its past and seeking to forge a new future for itself as a post post conflict place within the context of a changing United Kingdom a disintegrating Europe and a globalized world This is a Northern Ireland that is conflicted segregated and marginalized within modern Europe but also hopeful and forward looking seeking to articulate for itself a new place in the contemporary world **Reggae** Steve Barrow,Peter Dalton,1997 The complete guide to one of the most influential forms of music in the world The Rough Guide to Reggae leaves no stone unturned when it comes to profiling such stars as Buju Banton Lee Scratch Perry and of course Bob Marley From Ragga to Dub to Ska all forms of the genre are covered Photos **Encyclopedia of Life Writing** Margaretta Jolly,2013-12-04 First published in 2001 Routledge is an imprint of Taylor Francis an informa company *The Beat* ,2007 **New York** ,2004 **Enniscorthy** Celestine Rafferty,2010 *Irish Voices* Peter Somerville-Large,2000 In 1916 Eamon de Valera arrived on the Irish scene and as a result or so we are told the fairies left Such combining of fact and folklore is the essence of Peter Somerville Large's history of 50 years of life in Ireland from 1916 to 1966 *The Recorder* ,1998 *Saothar* ,1989 **Sargasso** ,2002 **Seeking a Country** Taura S. Napier,2001 Although there are numerous published studies of Irish literature and several women's autobiographies none has combined these areas of study Literary autobiographies of both women and men have gained popularity and scholarly attention over the last three decades especially twentieth century women's autobiographies This

study identifies and examines the Irishwomen's literary autobiography and traces its development through the twentieth century. The opening chapter discusses autobiographical trends prior to the present century in Ireland and charts major movements in forming the women's autobiography of the twentieth century. Of particular importance are the ways in which the life stories of Irish women writers both affirm and contradict intercultural theories of women's autobiography; how these writers manifest their autobiographical I as a deflected entity; and the relevance of class and religious background to the autobiographical voices of women in Ireland. The core discussion of the study focuses on the self narratives of Lady Augusta Gregory, Katharine Tynan, Mary Colum, Elizabeth Bowen, Kate O'Brien, and Eavan Boland. *The New Ireland and Its Sacred Cows* Jim Malone, 2005. A look at the Merriman Summer School in Ireland. *Dublin* Peter Somerville-Large, 1996. Exploring the development of Dublin from the intimate centre over which Leopold Bloom wandered where George Moore and W.B. Yeats met casually to the undistinguished urban sprawl of today. It presents a portrait of the heritage and atmosphere of this Irish city.
