JP McLean, author of the *Dark Dreams* series, Hawkin weaves her magic and creates a dangerous world where engaging characters could easily lose their lives to vampires while losing their hearts to love. Roxy Boroughs, author of *Wolfen Time*, beautifully written, suspenseful, and steamy. Sionnach Wintergreen, author of the *Men of the Shadows* series. **Life**, 1929. [South-Indian Images of Gods and Goddesses](#) Hosakote Krishna Sastri, 1916. **Art Without Borders** Ben-Ami Scharfstein, 2009-08-01. People all over the world make art and take pleasure in it, and they have done so for millennia. But acknowledging that art is a universal part of human experience leads us to some big questions: Why does it exist? Why do we enjoy it? And how do the world's different art traditions relate to art and to each other? *Art Without Borders* is an extraordinary exploration of those questions, a profound and personal meditation on the human hunger for art, and a dazzling synthesis of the whole range of inquiry into its significance. Esteemed thinker Ben-Ami Scharfstein's encyclopedic erudition is here brought to bear on the full breadth of the world of art. He draws on neuroscience and psychology to understand the way we both perceive and conceive of art, including its resistance to verbal exposition. Through examples of work by Indian, Chinese, European, African, and Australian artists, *Art Without Borders* probes the distinction between accepting a tradition and defying it through innovation, which leads to a consideration of the notion of artistic genius. Continuing in this comparative vein, Scharfstein examines the mutual influence of European and non-European artists. Then, through a comprehensive evaluation of the world's major art cultures, he shows how all of these individual traditions are gradually but haltingly conjoining into a single current of universal art. Finally, he concludes by looking at the ways empathy and intuition can allow members of one culture to appreciate the art of another. Lucid, learned, and incomparably rich in thought and detail, *Art Without Borders* is a monumental accomplishment on par with the artistic achievements Scharfstein writes about so lovingly in its pages.

Dance with Jesus Susan B. Mead, 2015-03-31. A woman grieving the loss of her family finds God's grace in this inspiring memoir of grief, faith, and renewal. Susan B. Mead knows a lot about grief and loss. She lost her brilliant sister to suicide, her youngest son to drugs and alcohol, and on the four-year anniversary of her son's death, she lost her sister-in-law to cancer. After so many trials, Susan was left broken and bewildered. Then she learned a powerful lesson: When we are lost in the storms of grief, only God can pierce the darkness. In *Dance with Jesus*, Susan shares her personal story of how God came to

her in the midst of profound grief with a display of love insight and comfort far beyond anything she thought possible In her inspiring and intimate style Susan freely shares how her encounters with God at her lowest moments led her to a deeper relationship with Him that truly restored her soul 10 percent of the profit from Dance with Jesus will benefit Water for LIFE to help dig water wells in remote locations around the world **Christian progress, ed. by E.
