She is advised that it's not safe for her to stay out in the wild country alone and that marriage is the only logical choice for her future. A Surprise for Abigail Tracey J. Lyons, 2004. Cole Stanton was a man on the move. On his own since the death of his family, he drifted from place to place, guarding his heart from attachment to anything or anyone. Meanwhile, Abigail Monroe was busy planning her wedding until she was jilted by her intended, Edward Quinn. Her heart broken and her hopes dashed, Abigail vowed to never fall in love again, fleeing to the town of Surprise to visit her sick Aunt Margaret. However, when Abigail arrived, she found that her Aunt Margaret had an unorthodox request of her: become the town's first woman sheriff. When Abigail agrees, her life quickly turns upside down. Her first arrest is none other than Cole Stanton for drunken and disorderly conduct. After his arrest, it becomes clear to Abigail that Mr. Stanton could be much more than he seems. He may very well be a wanted man, wanted both by the law and by Abigail.

Honor's Reward Patricia DeGroot, 2004. Catherine Wilde Donley wants to begin a new life. But the scars on her hand, as well as those in her mind, prevent her from forgetting the tragic fire that took her husband's life and nearly her own. Deciding she must revisit her New York past before she can have a Colorado future, Kit's plans are derailed when New York Detective Sam Honor arrives to arrest her for Zachary's murder. Sam Honor finds it difficult to believe the beautiful waif-like woman he has been hired to find is a murderess and mastermind of the largest counterfeit ring on the eastern seaboard, but it isn't his place to question. He's just interested in the nice reward he'll receive bringing her in. That is, until they begin their escapade-filled journey across the nation. Time spent together makes Sam realize Kit is innocent. And when she's nearly killed, his powerful need to protect her makes him realize he's fallen in love. But will Kit ever be able to trust him? Especially when she finds out she isn't under arrest at all? And that the man who hired him to find her is probably the man who wants her dead.
