Dancing On Edge:

Dancing on the Edge Han Nolan, 2014-12-16 The National Book Award winning novel of a young girl's coming of age from the author of *Send Me Down a Miracle* Twelve year old Miracle McCloy never liked the story of her remarkable birth but her grandmother Gigi has always loved telling it An expert in occult magic Gigi insists that when Miracle was saved from her dead mother's womb it was an omen of greatness to come But how can Miracle become a prodigy like her father when sometimes she feels like she doesn't even exist When her father suddenly vanishes without a trace Miracle's life starts feeling less miraculous by the day The only time she feels whole is when she's dancing an activity her grandmother strictly forbids But shortly after her thirteenth birthday a life threatening incident puts her whole world in a harsh new light And though she does not emerge unscathed Miracle might finally see the truth about her past her family and herself Extraordinary Nolan does a masterful job of drawing readers into the girl's mind and of making them care deeply about her chances for the future School Library Journal starred review Elaborately drawn characters that will surprise readers at every turn Compelling Booklist starred review *Dancing at the Edge of the World* Ursula K.
