## **Dancing On Hot Macadam Peter Careys Fiction:**

*Dancing on Hot Macadam* Anthony J. Hassall, 1998 This is the first comprehensive study of one of the world's most gifted and exciting writers. It follows Peter Carey's career from the nightmare haunted stories of *The Fat Man in History* and *War Crimes* to the madcap satire of *Bliss* from Illywhacker's picaresque landscapes to Oscar and Lucinda's glittering achievement and the powerfully confronting vision of *The Tax Inspector*. *Dancing on Hot Macadam* is a lucid account of Peter Carey's fiction and its intriguing critical reception. It explores his preoccupation with imprisonment and metamorphosis and the desire of his characters to escape from bewildering roles, relationships and societies. *Dancing on Hot Macadam* is another volume in the excellent *Studies in Australian Literature* series. It is a sound and persuasive critique that gets much better as it goes along. *Times Literary Supplement*. The book contains a lot of ideas and will be the base from which to draw the map of Carey's fiction as it develops further. Julian Croft *Weekend Australian*

*Portable Prose* Jarrad Cogle, N. Cyril Fischer, Lydia Saleh Rofail, Vanessa Smith, 2018-11-09 *Portable Prose: The Novel and the Everyday* examines the novel as a privileged site for representing the everyday as well as a physical object that occupies public and private space. This collection interrogates the relationships between these differing aspects of the novel's existence, negotiating the boundaries between the material world, subjective experience and strategies of representation. This collection offers a wide array of innovative novelistic explorations with a focus ranging from nineteenth-century fiction to contemporary literary theory and explores the portability of novels as both physical things and virtual hermeneutic devices. While mimetic qualities of prose remain an integral consideration for literary interpretation, this collection argues for more diverse frameworks, ones that see aesthetic components of the novel in close connection with reading practices, shared structures of feeling and the corporeal. In this capacity, this volume will argue for readings of texts that consider the capacity for literary culture to move through the world but also to make it or re-make it new.

**Witnessing the Past** Sigrun Meinig, 2004

**Magical Realism and Literature** Christopher Warnes, Kim Anderson Sasser, 2020-11-12 Magical realism can lay claim to being one of the most recognizable genres of prose writing. It mingles the probable and improbable, the real and the fantastic, and it provided the late twentieth-century novel with an infusion of creative energy in Latin America, Africa, Asia and beyond. Writers such as Alejo Carpentier, Gabriel García Márquez, Isabel Allende, Salman Rushdie, Ben Okri and many others harnessed the resources of narrative realism to the representation of folklore, belief and fantasy. This book sheds new light on magical realism, exploring in detail its global origins and development. It offers new perspectives of the history of the ideas behind this literary tradition, including magic realism, otherness, primitivism, ethnography, indigeneity and space and time.

*Suburban Space, the Novel and Australian Modernity* Brigid Rooney, 2018-11-15 *Suburban Space: the Novel and Australian Modernity* investigates the interaction between suburbs and suburbia in a century-long series of Australian novels. It puts the often trenchantly anti-suburban rhetoric of fiction in dialogue with its evocative and imaginative rendering of suburban place and time. Suburban

Space the Novel and Australian Modernity rethinks existing cultural debates about suburbia in Australia and elsewhere by putting novelistic representations of suburbs suburban interiors homes streets forms and lives over time in dialogue with the often negative idea of suburbia in fiction as an amnesic and conformist cultural wasteland Suburban space the novel and Australian modernity shows in other words how Australian novels dramatize the collision between the sensory terrain of the remembered suburb and the cultural critique of suburbia It is through such contradictions that novels create resonant mental maps of place and time Australian novels are a prism through which suburbs as sites of everyday colonization defined by successive waves of urban development are able to be glimpsed sidelong *Peter Carey* Graham Huggan,1996 This concise introductory study showcases Carey s storytelling talents Carey s success in Australia and elsewhere owes much to his ability to lure his readers into a world at once familiar and fantastic Carey s fictions are products of the dream factories of twentieth century corporate capitalism He debunks the utopian myths of western consumer culture revealing beneath New Age cant the brutal worship of wealth and power The world of which they speak is less exotic than grotesque but it is not for all that irredeemable Huggan argues that Carey s fictions present both a satire on destructive material values and a defence of the right to change to invent new pasts and futures

**Critical Survey of Short Fiction: Italo Calvino - Louise Erdrich**,2001

**Contemporary Australian Literature** Nicholas Birns,2015-12-01 Australia has been seen as a land of both punishment and refuge Australian literature has explored these controlling alternatives and vividly rendered the landscape on which they transpire Twentieth century writers left Australia to see the world now Australia s distance no longer provides sanctuary But today the global perspective has arrived with a vengeance In Contemporary Australian Literature A World Not Yet Dead Nicholas Birns tells the story of how novelists poets and critics from Patrick White to Hannah Kent from Alexis Wright to Christos Tsiolkas responded to this condition With rancour concern and idealism modern Australian literature conveys a tragic sense of the past yet an abiding vision of the way forward Birns paints a vivid picture of a rich Australian literary voice one not lost to the churning of global markets but in fact given new life by it Contrary to the despairing of the critics Australian literary identity continues to flourish And as Birns finds it is not one thing but many In this remarkable bold and fearless book Nicholas Birns contests how literary cultures are read how they are constituted and what they stand for In examining the nature of the barriers between public and private utterance and looking outside the absurdity of the rules of genre Birns has produced a redemptive analysis that leaves hope for revivifying a world not yet dead John Kinsella "The Relative Merits of Goodness and Originality" Christer Larsson,2001
