Kennedy,2022-08-16 Faerie the land of blood magic and betrayal At last the fae lord Rogue has won everything He has me in his home his bed and I m desperately in love with him despite my best efforts and better judgment Did I mention I m pregnant As our child grows inside me the one I m pledged to give to him I still have no idea what will happen after the birth Though Rogue is attentive in every way a woman could wish for bringing me delirious pleasure and gifts beyond price he still won t or can t tell me what game he s playing Or what the viciously sadistic Queen Titania has to do with our many bargains I m most afraid that if he betrays us I ll never be able to forgive him Even though I can t stop loving him As war threatens everything we ve built as my body swells with the enchanted pregnancy I become more certain with every day that the true enemy lurks within our castle walls And that the man I ve vowed eternal commitment to may be the last person I can trust
