Dancing With Ben Hall:

Dancing with Ben Hall Jackie French,1997 A collection of short stories both historical and contemporary based on real people and real events

The Goat Who Sailed The World Jackie French,2010-04-01 Captain Cook's goat is the first of many historical animals to bring the past to life the HM Bark Endeavour is sailing to Tahiti to map the transit of Venus but there are rumours that once the task is completed Lieutenant James Cook has a set of secret orders that command him to search for the Great South Land Isaac is twelve and has joined the crew of the Endeavour as a master's servant good for scrubbing decks and not much else He's certainly not considered good enough to fetch hay for the Goat who will provide fresh milk for Cook and his officers And this goat even has more experience at sea than Isaac she has already sailed around the world once watching the ocean and lands slip by from her spot on the quarterdeck Over the months on board the Endeavour a friendship grows between the Goat and Isaac one that will last through shipwreck bushfire and illness A friendship that helps in the discovery of exotic new lands Ages 9-13

Blood Moon Jackie French,2010-10-01 the body lay at the bottom of the stairs He wore red and green pyjamas It took me a second to realise the red was blood An old man his eyes were still open For one dreadful moment I thought he was still alive But no one can live with a hole where their throat should be Danielle Forest Virtual Engineer was looking forward to spending some quiet time with her lover in their stone house in the Outlands But someone or something keeps murdering members of nearby Utopias A family of werewolves is under suspicion and Danielle's friend Ophelia asks her to prove their innocence Before she can say silver bullet Danielle is a temporary resident of the tree home to the apparently friendly werewolves and fully occupied trying to deal with another bloody murder the angry local community and some amorous water sprites not to mention her bone loving hosts Are the werewolves the killers Danielle seeks Or are humans more vicious by far this thrilling sequel to In the Blood is the second book in the Outlands trilogy Ages 16

Marjorie Main Michelle

Vogel,2015-06-08 She was a slum mother witty housekeeper nosy neighbor meddling maid town gossip and most memorably

Ma Kettle Marjorie Main is best remembered for her portrayal of the farm mother of 15 children and wife of shiftless Pa Kettle. The characters were introduced in the 1945 film *The Egg and I* and were such a hit that eight films followed. At an age when most actresses' careers are waning, Main's star was just beginning to rise. In real life, Main was as down to earth as the characters she played. Her attire on the set and around her house were the same: a simple cotton house dress or jeans. She preferred riding the bus because she enjoyed interacting with regular people, the inspiration for her characters. This book chronicles Main's childhood on an Indiana farm and the inspirations that led her to the stage. After a distinguished theater career and minor film roles at age 50, she was offered a long-term contract with premier studio MGM. Details of her acting career and personal life covered here include her marriage to a scholarly widower 26 years her senior and her work with actor Percy Kilbride, who was the antithesis of his character, the slothful Pa Kettle. A detailed filmography includes cast and credit lists and trivia about each of Main's 85 films. Children's Book Review Index Gary C. Tarbert, 1998 *Book Review Index*, 2003 Vols 8-10 of the 1965-1984 master cumulation constitute a title index. Fire in the Blood Robert Macklin, 2005-11 He was the champion of the have-nots. He was a gentleman to the core. And he was Australia's most notorious bushranger. One hundred and fifty years ago, Frank Gardiner rose from nowhere to become the most famous outlaw in the country. His gang included Ben Hall, Johnny Gilbert, and a team of desperadoes who brought large tracts of inland New South Wales to the brink of anarchy. Yet he boasted that he never hurt a woman or ever committed a mean or petty act. When finally captured, Gardiner became the first and only Australian ever to be exiled from his homeland. Gardiner electrified the colony of New South Wales in June 1862 with the biggest robbery of all: the hold-up of the Lachlan gold escort at Eugowra Rocks. By the standards of the day, it was bigger than Britain's Great Train Robbery and much bigger than any Australian heist before or since. Now, in a vivid tour de force, Robert Macklin combines meticulous research with a brilliant imagination to recreate Gardiner's world in the backblocks of Australia and in the land of his exile, the United States. It is a rattling good yarn, an epic drama, and a heart-rending love story. But it also provides a unique insight into the young colony at a time when class oppression sparked rage in the underdog and set fire in the blood among the rebels of the bush. *Boy Oh Boy* Tim Hawkes, 2001 Practical and entertaining resource for those who wish to understand the needs of boys and how to best meet those needs. Uses a mixture of commonsense and scholarly research that gives hope and inspiration. **Researching Popular Entertainment** Kim Baston, Jason Price, 2024-12-27 *Researching Popular Entertainment* is an essential volume for scholars delving into the vibrant yet complex world of popular entertainment. Written by a global network of experts, this book addresses the unique challenges researchers face in this field. The often-dismissed status of popular entertainment, coupled with its reliance on physicality and improvisation over scripted performances, has meant archival and textual sources tend to be more limited than in related theatre and performance disciplines. This scarcity requires historians to find alternative pathways through the available materials to recuperate seemingly insignificant figures and performance forms from our

cultural past This book provides a candid look into the research processes of its authors highlighting some of the approaches they have adopted to overcome these challenges It emphasises that reading performance as entertainment is a deliberate methodological choice Regardless of whether a work is deemed high or low art legitimate or illegitimate understanding how it captivates its audience is central to the study of entertainment Readers will benefit from its in depth analysis and practical guidance making it an indispensable resource for anyone studying popular entertainment Tom Hurstbourne Or a Squatter's Life John Claverling Wood, Gerard Benjamin, 2010 Long lost manuscript becomes a Queensland First after 145 years Faced with losing his centuries old family estate to debt Tom Hurstbourne headed to colonial Australia to make his fortune He had no idea that the Shrewsbury lawyer he left in charge of his affairs would snatch this chance to exact the ultimate revenge on Tom the last of the Hurstbourne dynasty Brisbane Editors Gloria Grant and Gerard Benjamin transcribed the manuscript and wrote its introduction and contextual notes **Australian National Bibliography** ,1996-12 **The Works of Ben Jonson: with Notes Critical and Explanatory and a Biographical Memoir** Benjamin Jonson, 1875 Theatre Organ ,2008 **Municipal Record** Salt Lake City (Utah),1912 **The Story of the Australian Bushrangers** George Boxall,1902 **Evelyn Brent** Lynn Kear, James King, 2009-10-21 Evelyn Brent's life and career were going quite well in 1928 She was happily living with writer Dorothy Herzog following her divorce from producer Bernard Fineman and the tiny brunette had wowed fans and critics in the silent films *The Underworld* and *The Last Command* She'd also been a sensation in Paramount's first dialogue film *Interference* But by the end of that year Brent was headed for a quick downward spiral ending in bankruptcy and occasional work as an extra What happened is a complicated story laced with bad luck poor decisions and treachery detailed in this first and only full length biography The Independent ,1917 *American Independent Baker* ,1929
