Dancing with Demons Penny Valentine, Vicki Wickham, 2001-09-21 The first authorized biography of the mesmerizing singer and the tragic truth behind the smoky bluesy voice that dominated the 60s Photos **Dancing with Demons** Penny Valentine, Vicki Wickham, 2000 Dusty Springfield led a tragic yet inspiring life battling her way to the top of the charts and into the hearts of music fans world wide Her signature voice made songs such as I Only Want to Be With You Son of A Preacher Man and You Don t Have to Say You Love Me international hits In Dancing With Demons two of her closest friends Valentine and Wickham capture with vivid memories and personal anecdotes a Dusty most people never glimpsed in this no holds barred yet touching portrait of one of the world's true grand dames of popular music Dusty! Annie I. Randall, 2008-11-17 Dubbed the White Queen of Soul singer Dusty Springfield became the first British soloist to break into the U S Top Ten music charts with her 1964 hit I Only Want To Be With You a pop classic followed by many others including You Don't Have to Say You Love Me and Son of a Preacher Man In this penetrating look at her music and career Annie J Randall shows how this middle class former convent girl became perhaps the unlikeliest of artists to achieve soul credibility <u>Just around Midnight</u> Jack Hamilton, 2016-09-26 When Jimi Hendrix died the idea of a black on both sides of the Atlantic man playing lead guitar in a rock band seemed exotic Yet ten years earlier Chuck Berry had stood among the most influential rock and roll performers Why did rock and roll become white Jack Hamilton challenges the racial categories that distort standard histories of rock music and the 60s revolution "She's So Fine: Reflections on Whiteness, Femininity, Adolescence and Class in 1960s Music "Laurie Stras, 2017-07-05 She's So Fine explores the music reception and cultural significance of 1960s girl singers and girl groups in the US and the UK Using approaches from the fields of musicology women's studies film and media studies and cultural studies this volume is the first interdisciplinary work to link close musical readings with rigorous cultural analysis in the treatment of artists such as Martha and the Vandellas The Crystals The Blossoms Brenda Lee Dusty Springfield Lulu Tina Turner and Marianne Faithfull Currently available studies of 1960s girl groups girl singers fall into one of three categories industry generated accounts of the music s production and sales sociological commentaries or omnibus chronologies discographies She s So Fine by contrast focuses on clearly defined themes via case studies of selected artists Within this analytical rather than historically comprehensive framework this book presents new research and original observations on the 60s girl group girl singer phenomenon The Secret Public Jon Savage, 2025-02-04 Rolling Stone UK Best Music Books of the Year A monumental history of the gay influence on popular culture from the rise of Little Richard to the collapse of disco in 1979 award winning author Jon Savage takes us on a fast and captivating journey through the history of pop music as seen through the eyes of queer artists Jon Savage the author of the canonical England's Dreaming explodes new ground in this electrifying history of pop music from 1955 through 1979 In demonstrating that gay and lesbian artists were responsible for many of the greatest cultural breakthroughs in the last half

of the twentieth century he shows that it was their secretly encoded music appealing to a closeted but greatly oppressed public which led to the historic dismantling of discriminatory gay laws and the fusion of queer and straight culture Fittingly Savage's kaleidoscopic work begins with the pomp and pompadour appearance of Little Richard whose relentlessly driving sound replete with gospel shrieks and sexual contortions enthralled a generation of 1950s stultified white teenagers Things soon went mainstream as Elvis enthralled a nation with his seductive low moans and bump and grind twists heavily derivative of Black music while James Dean and Rock Hudson became the face of 1950s Hollywood yet this explosion of queer expression remained covert and could not be accepted for what it was While music with supporting roles from cinema and fashion became the key medium through which homosexuality could be clandestinely enacted overt expressions of gay behavior were met with arrests and crackdowns While hippies reveled in 1967 s Summer of Love gays remained harassed by police demonized by the media and politicians imprisoned simply for being who they were J Edgar Hoover himself a closeted homosexual continued to spy on homosexual deviants CBS s Mike Wallace aired an invidious show about homosexuality and the New York police continued to raid gay bars Yet the music itself produced a cultural eruption that simply could not be stanched While Bette Midler sang Boogie Woogie Bugle Boys to a Continental Baths audience of 600 gay men all naked except for towels David Bowie blew the whole topic wide open and became the most totemic pop star of his generation Even though roadblocks remained the gear grinding crunch of the music signaled that the gay civil rights movement could no longer be suppressed Ending the narrative with the sudden collapse of disco The Secret Public asserts then that the genie was out of the bottle that queer culture had finally entered the mainstream producing a transcendent vision of pop culture that could never be marginalized again The Advocate, 2001-10-23 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States The Advocate, 2001-10-23 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States The Mojo Collection Jim Irvin, 2009-06-04 Organised chronologically and spanning seven decades The MOJO Collection presents an authoritative and engaging guide to the history of the pop album via hundreds of long playing masterpieces from the much loved to the little known From The Beatles to The Verve from Duke Ellington to King Tubby and from Peggy Lee to Sly Stone hundreds of albums are covered in detail with chart histories full track and personnel listings and further listening suggestions.
