A Dangerous Refuge Anne Hewland, 2010 Emma Ashcroft has a decision to make Is she in love with fun loving Danny Lockwood or is their relationship over However from Danny s high rise apartment Emma witnesses his abduction Could Steven Reeves who claims to represent the landlord help her and can she trust him Humanitarian

Negotiations with Armed Groups Ashley Clements, 2019-11-26 Humanitarians operate on the frontlines of today s armed conflicts where they regularly negotiate to provide assistance and to protect vulnerable civilians This book explores this unique and under researched field of humanitarian negotiation It details the challenges faced by humanitarians negotiating with armed groups in Yemen Myanmar and elsewhere arguing that humanitarians typically negotiate from a position of weakness It also explores some of the tactics and strategies they use to overcome this power asymmetry to reach more favorable agreements The author applies these findings to broader negotiation scholarship and investigates the implications

of this research for the field and practice of humanitarianism This book also demonstrates how non state actors both humanitarians and armed groups have become increasingly potent diplomatic actors It challenges traditional state centric approaches to diplomacy and argues that non state actors constitute an increasingly crucial vector through which international relations are replicated and reconstituted during contemporary armed conflict Only by accepting these changes to the nature of diplomacy itself can the causes symptoms and solutions to armed conflict be better managed This book will be of interest to scholars concerned with conflict resolution negotiation and mediation as well as to humanitarian practitioners themselves
