Dangerous Dalliance

Clark Prescott Bissett

Dangerous Dalliance:

Dangerous Dalliance Valerie Massey Goree, 2024-08-09 Jan's fiancé Bryan Buchanan disappeared a year ago. She has no idea why he left or where he is. Since then she's had no interest in romance but saving a little girl from a playground accident propels her into the world of possibilities. Hatch, the child's grateful father, has met many women since his wife's passing. Jan is the first one to catch his attention but his instinct to offer counseling to any woman he meets who seems depressed is a big turn-off for her. Although Jan is flattered by Hatch's attention, the rest of her life is turned upside down when she receives threatening phone calls, is nearly run off the road, and is shot at. Can Hatch protect Jan as the men's threats escalate? If Bryan returns to her life, will she forget about Hatch?

A Dangerous Dalliance Regina Scott, 2000 Boston bred David Tenant unexpectedly inherits a sizable English estate only to find himself responsible for an art collection with a tendency to disappear and a conniving widow with designs on his title, his money, and his heart.

Dangerous Dalliance Joan Smith, 2010-09-15 Heather Hume discovered that her recently dead father had been murdered. Her investigation led to Brighton where she learned that her father had been a spy for England. The most likely one to have betrayed him was his assistant Snoad who dressed as a servant and spoke like a gentleman. Heather was determined to battle her attraction to this intriguing young man if he was a traitor.

Regency Romance by Joan Smith originally published by Fawcett Crest

Romance Fiction Kristin Ramsdell, 2012-03-02 A comprehensive guide that defines the literature and outlines the best-selling genre of all time: romance fiction. More than 2,000 romances are published annually, making it difficult for fans and the librarians who advise them to keep pace with new titles, emerging authors, and the constant evolution of this dynamic genre. Fortunately, romance expert and librarian Kristin Ramsdell provides a definitive guide to this fiction genre that serves as an indispensable resource for those interested in it, including fans searching for reading material as well as for library staff, scholars, and romance writers themselves. This title updates the last edition of *Romance Fiction: A Guide to the Genre*, published in 1999. While the emphasis is on newer titles, many of the important older classics are retained, keeping the focus of the book on the entire genre instead of only those titles published during the last decade. Specific changes include new chapters on linked and continuing romances, a new section on Chick Lit in the Contemporary Romance chapter, an expansion of coverage on the alternative reality subset. This is THE romance genre guide to have.
