Dangers Of Growing Up In A Christian Home:

The Dangers of Growing Up in a Christian Home Donald Sloat, 1999-08-01 How can a Christian home be dangerous When it is based on legalistic practices and demands strict compliance with no consideration for a child's feelings This highly controlled environment interferes with normal child development because it prevents children from learning how to think for themselves and to experience their emotions Out of their fear and concern well meaning conservative Christian parents and church leaders have used the Cross as a club to scare children into the Kingdom and motivate them to serve Christ The focus is on avoiding the Master List of sins not personal growth This approach is especially damaging to those with sensitive personalities who tend to take everything in life seriously The more outgoing self assured persons are able to blunt the scare tactics so they struggle differently from their sensitive siblings Using the DiSC system the author describes various personality and behavioral styles to illustrate the differences With personal experiences and stories from damaged Christians the author describes these dangers and uses psychological spiritual insights to explain how individuals can work through these issues and retain their essential faith Learn how Christians can find answers that work without throwing God out of their lives

Growing Up Christian Jim Marian, 1992 Parenting Brett Ullman, 2020-07-31 After more than two decades and over two thousand presentations my interactions with parents reveal that although most want to learn and parent their best they feel ill equipped Kids don't come with manuals The goal of this book is to equip and empower you as a parent grandparent or youth leader to help kids navigate all aspects of life in the current culture How do we sift through the unending philosophies on parenting and be intentional in how we choose what's best for our family The number of voices is overwhelming This book distills the essential elements of parenting so you can apply them in your own home It approaches parenting from a Christian perspective and is filled with practical advice that is applicable to everyone As we explore the foundations of parenting we will look at Parenting What are the stages of parenting What is the current state of parenting What is the purpose of parenting Parenting styles What are they and which ones should I be using What might I need to alter about my current parenting style Progression of parenting What are the skills our children need to learn Time What does quality time and being present with my kids look like Communication How can I gain better communication skills so that I can more effectively connect with my kids Discipline How do I effectively discipline my children Family discipleship Why is our worldview important and how we can raise kids with a Christian worldview Mental Health How do we address issues like anxiety panic attacks and depression Engaging the Culture How do we empower our kids to engage the culture around us without compromising their faith Media How can we help our kids navigate technology Sexuality How do we direct our kids towards healthy sexuality Pornography What is the prevalence of pornography and how do we address its impact on our kids Dating How do we best avoid pitfalls in dating Finances and education How can we help our children make sound financial and education choices Drugs and alcohol What tools are available to assist in drug proofing our kids Loneliness How do we

prevent disconnection in our kids and help them to create community The Final Testaments Uche Chuku,2004-07 The story of Adam Eve God and the Serpent in the Garden of Eden is the true story of the miserable life we live as human beings on this earth But our understanding of the fateful events in Eden had been solidly formed by the falsified mind bending Bible stories we were told as children by parents and church ministers And even as adults organized religion still tells us the same illogical fables and somehow most of us have continued to reason and understand these crucial events that totally control our lives as children despite the fact that they do not agree with common sense So What is the Truth Jesus Christ came specifically to bear witness to the truth Yahweh the god of Eden had him killed through his religious agents who continue to muffle the truth and to mislead humanity But The Final Testaments offers the true definition of the events in Eden The Fall of the Human Souls the Actual Original Sin the Actual Genesis of this World the Diabolic Nature of Yahweh the God of Eden the Actual Antichrist or the Expected Immanuel Who really Killed Jesus Christ all these and more are authoritatively revealed
