Tygrett, 2022-01-05 This book may be God's comprehensive plan for the world starting by the interpretation of Daniel's prophecies through Revelation and in chronological order See how the end time prophecies started being fulfilled when Israel became an independent nation in 1948 Follow the description of the first six Seals of Revelation to find where we are now at this time in the plan The 7th Seal records there was silence in heaven in Revelation 8:1 There is only one scriptural reason for there to be silence in heaven the answer is Jesus steps out in all His Essence The only scriptural reason Jesus comes out of heaven the answer is Jesus raptures His church or followers Then the

traditional Tribulation during the Antichrist reign of 7 years comes upon the whole earth in God's judgments immediately following the rapture. Following the judgments, God pours out his wrath, ending with the battle of Armageddon when Jesus destroys the Antichrist's armies and sets up His Kingdom on earth. Gets answers to the following: How and When does God use His anger, His judgments, and His wrath? How and When does God use Tribulation? In the first chapter of the book of Daniel, you will find a table that shows how the visions of Daniel help to explain with more details about the parts of the image in chapter two. This book came out of a study of about sixty-five years. Studies on Daniel and Revelation Kraid Ashbaugh, 2004. As we approach the end of time, a working knowledge of Bible prophecy is more important than ever. Ellen White promoted a careful study of the two main books of prophecy in the Bible, Daniel and the Revelation. Ellen White suggested that the books of Daniel and the Revelation should be bound together and published, showing they are related to the same subjects. She also advised that the prophecies of Daniel and the Revelation should be printed in small books with necessary explanations added. This little book fulfills this need. It contains the entire books of Daniel and the Revelation along with condensed explanations and Ellen White clarifications. Studies on Daniel and Revelation is a perfect study companion for any Bible student. **Daniel** John F. Walvoord, 1989. A detailed systematic analysis of the book of Daniel with emphasis on studying and refuting non-biblical views. *The Books of Daniel and Revelation Made Easy* Warren Reid, 2022-02-07. The book of Revelation must be the most feared book of the Bible to read. Now you can read it with great delight for this book is written to help you, the reader, to understand what your Father in heaven is revealing to you. God does not want His children to be ignorant of His plan for us. Neither does He want us to be ignorant of the things He has in store for us. He has said in Hosea 4:6, "My people are destroyed for lack of knowledge. Therefore get knowledge and use that knowledge to defend yourself and help others. I have to confess that I know nothing about the things of God. I have to rely entirely upon the Holy Spirit to lead me into all truths." The thing that moved me to write about the books of Daniel and Revelation is that I know that they are hard books to understand, but I also know that God wants His people to understand for He has loved us all with an everlasting love. Warren Reid didn't write this book because of his will. Rather, he wrote it because he was commissioned to do so by God. *The Books of Daniel and Revelation Made Easy* examines the twelve chapters of Daniel and twenty-two chapters of Revelation. Divided into two parts, it tackles the books in detail. The author answers questions such as: What passages of the Bible should you think about time and time again? Why did Daniel refuse to eat the king's meat and the wine he provided for them? Why is it so important to pray to the living and true God just as Daniel did? How can we recognize when Satan is working through someone? The Lord is coming, but we must be able to recognize the man of sin before Christ comes. We must be resolved in our hearts that we will not yield to him; that we would rather choose death than to bow down and worship his image or take his mark. May the God of Heaven give us grace to stand for Him in the evil days, and may this book help light the path that leads to everlasting life. *Daniel and the Revelation. Efird,2001-06-25 Written in moments of history when the forces of hell appeared to have taken control of the earth Daniel and Revelation are the two most intriguing and often difficult Bible books for the average reader to interpret However to avoid them is to miss their messages of hope and faith for today s Christians living in a world seemingly engulfed by evil With easy to understand explanations of why and how apocalyptic literature was written Dr Efird strips away the mystery surrounding the strange visions and symbols Putting them in their proper perspective he leads the reader to the heart of the biblical writers very simple message God is always in control Dr Efird presents Daniel and Revelation not as mere road maps for the end of the world but as magnificent biblical literature to give Christians confidence in the supreme majesty and power of God Excellent for personal or group study with reflective questions for each chapter      **Daniel/Revelation** Christopher R. Smith,2011-01-21 Two of the most dramatic and mysterious books in the Bible Daniel and Revelation disclose many of their secrets when they re understood as the special kind of writing they are They both use a particular literary form known as apocalyptic to convey their message of warning and encouragement to believers in crisis situations This study guide equips groups to read and understand this kind of writing and to appreciate the messages of Daniel and Revelation for them today The Understanding the Books of the Bible series enables groups to take a new approach to studying the Bible together Instead of following artificial chapter and verse divisions these Bible study guides lead groups through whole books following their natural outlines and pose engaging questions for discussion and personal application all along the way      **Daniel and the Revelation** Uriah Smith,2019-09-25 Both parts of Uriah Smith s astounding commentary of the Book of Daniel and its prophetic relation to the birth and life of Jesus Christ are united in this edition The Book of Daniel has aroused great interest

for apparently predicting the arrival of Christ on Earth together with aspects of his character and deeds This fascinating relationship whereby the Old Testament foresees the events of the New Testament has intrigued Biblical scholars for centuries Uriah Smith a minister and educator as well as an enthusiastic studier of the Bible lore embarked on a quest to commemorate line by line verse by verse the entire Book of Daniel The commentary of Uriah is informative lengthy and detailed He explains and discusses the meanings of the verses annotating his thoughts with references to other parts of the Bible where necessary This methodology is repeated in Part Two whereby the author s focus is turned to the life of Jesus Christ as alluded to in the Book of Revelation a comparison of the prophecies made by Daniel and those which appear in the New Testament is undertaken Perhaps the most overarching theme in this work is the discussion of how God makes his intentions and will known to followers on Earth Deciphering such a mystery is no easy feat yet it is one which Uriah Smith attempts energetically drawing upon his decades of ministerial experience with holy scripture     **PREPARE** Beverly Ridgewell,2016-02-08 The heart of God is for us to understand the book of Revelation PREPARE was written for that purpose Beginning with an eye opening foundation in Daniel PREPARE unveils the end times in a riveting chapter by chapter walk through of the book of Revelation You will have a clear understanding of the timeline events and their significance for the end times when you finish this book And you will see just how close we are to Christ s return In PREPARE you will learn the proper sequence of events in the book of Revelation the three conditions necessary to automatically trigger the end times two are in place and the third is ready to go about the rapture is it pretrib midtrib posttrib or something else the riddle unveiling Antichrist s identity the necessary conditions for the second coming of Christ and the onset of God s wrath PREPARE is for pastors who have been afraid to teach Revelation until now the average Christian who is grasping to understand what is happening in this world and how it relates to Biblical prophecy     **Let Daniel and Revelation Speak ,**
