Let Daniel and Revelation Speak, *The Latter-Day Saints' Millennial Star*, 1897

DANIEL: Touchstone of Prophecy Kent Stevens, 2008-07-31. Scholars agree Daniel's prophecies detail history up to 164 B.C. then opinions split. But why not continue following the trail of history? What if we could prove his prophecies are already fulfilled? This verse by verse pursuit takes us a little outside popular explanations and turns up some surprising answers. Discover how the Little Horn of the dragon has been in plain sight of history all along, why one prophecy is divided into weeks, who is the real prince to come and who is the true Covenant Maker, that the 2300 evenings and mornings are not mere days on a calendar, how the 1290 and 1335 day prophecy bring us to an oft neglected turning point in Jewish history. Determined to let Scripture speak for itself, Kent Stevens attempts to support every verse with well known details from history. Even if you end in disagreeing with the author's compelling arguments, we hope you will conclude with him that Daniel is truly a unique touchstone that challenges and tests the way we view prophecy.

Hidden But Now Revealed G. K. Beale, Benjamin L. Gladd, 2014-11-21. This book explores the biblical conception of mystery as an initial partially hidden revelation that is subsequently more fully revealed, shedding light not only on the richness of the concept itself but also on the broader relationship between the Old and New Testaments. As such, it is a model for attentive and faithful biblical theology.

Revelation G. K. Beale, 2015-01-02. G. K. Beale's monumental New International Greek Testament Commentary volume on Revelation has been highly praised since its publication in 1999. This shorter commentary distills the superb grammatical analysis and exegesis from that tome over 1,300 pages into a book more accessible and pertinent to preachers, students, and general Christian readers. As in the original commentary, Beale views Revelation as an integrated whole as a conscious continuation of the Old Testament prophetic books and shows that recognizing Revelation's nearly constant use of Old Testament allusions is key to unlocking its meaning. Interspersed

throughout the volume are more than sixty sets of Suggestions for Reflection to help readers better grasp the relevance of Revelation to their lives and our world today *"The Time of the End"* Francis Michael Darter,1928 Daniel and His Prophecies Charles Henry Hamilton Wright,1906 **Daniel'S Seventieth Week** Ronald F. Green,2018-06-27 We are fast approaching the end of the last generation of life on the earth as we know it But are you prepared for these last days Do you know how to identify the signs of the end Can you recognize the fulfillment of the Lords revealed prophecies Daniels Seventieth Week offers a day by day account of what to expect during the seven years of this generation that Jesus said would not pass until everything he had spoken of had been fulfilled Author Ronald F Green provides a calendar of the events before eternity begins including the events of the seals that will be opened the seven trumpets of God that will sound and the seven vials bowls of Gods wrath He also explores the world events that will precede Jesuss second comingthe agreement between Israel and its enemies the rebuilding of both the inner temple and the third temple and the two witnesses Enoch and Elijah when they start and end their 1 260 day ministry After this Jesus Christ will set his feet on the Mount of Olives enter the rebuilt temple and start his millennial reign God has revealed to us so much about the last days There is only one resurrection of the righteous dead and there is only one catching away of the living righteous If this occurs before you turn your life over to Jesus Christ and yield to his revealed truth and prophecy then your eternity will have been decided by your own choice **Notes, Critical, Illustrative, and Practical, on the Book of Daniel** Albert Barnes,1881
