*Dare to Stand Alone* Stuart Olyott,1982 The book of Daniel is full of practical help especially for believers who find themselves standing alone in the classroom or at work or among their family and friends Daniel tells us how to remain true to God in a hostile environment and shows us how to live for him when everything is against us Daniel dared to stand alone So can we Dare to stand alone is a masterpiece of clear helpful applied writing and causes the book of Daniel to be living and relevant not only in its exciting narrative section but in its highly symbolic section also *Dare to Stand Alone* Bradley Booth,2008 Sir when the regulations of my country clash with the laws of my God I must obey my God Ivan declared The general studied Ivan s face seriously Does that include the regulations of your army Religion was suppressed Christians were forced to practice their faith secretly Yet one teenage boy found the courage to stand up and speak boldly about his God Not just to his friends or in a private church meetingbut on a military base In front of nearly 3 000 enlisted men and one colonel Foolish Maybe Risky Definitely But Ivan Gumenyuk had determined to follow God s calling and right then God was calling him to be a missionary in the Soviet army Like Daniel of old Ivan faced trials that tested his faith to the limits And like Daniel Ivan accomplished incredible things for God *Amazing Grace* Kenneth W. Osbeck,2002-05-01 This revised best seller is an inspiring daily devotional based on 366 great hymns of the faith It contains a portion of each hymn along with Scripture readings meditations and practical applications *Burn the Ships* William C Jeffries,2024-10-02 We are surrounded by a twenty first century culture totally antagonistic to a Biblical worldview What the Bible teaches about God history ethics biology morality marriage gender the family personal responsibility abortion antisemitism the future and many other life altering issues has never been under so direct an assault by Naturalistic and ultimately Satanic forces Referring to contemporary American culture as secular or even as a post truth age is far too tepid a response In the United States we live in an increasingly defacto atheist culture Our trusted ally in this battle of worldviews must be the local church Sadly for too many years the organized church itself has been seduced by the very forces of culture it is meant to address It has largely failed in its biblical obligations and become the apostate church of the last days This book is intended to be a wake up call both to the individual Christian and to the local church to embrace a more engaged apologetic approach to ministry We are commanded by Peter always to be prepared to give an answer for the hope that is within us 1 Peter 3 15 That is our personal commission as believers as well as the obligation of the local church to prepare us for our individual mission fields We are engaged in a war of worldviews Is your local church preparing you for this battle or sitting this fight out on the sideline It is time to Burn Your Ships Find a local church that is willing to assist you in this life and death battle Keep looking until you do *Songs of Love and Mercy for the Young.
