Daniel the Prophet; Nine Lectures ... Edward Bouverie Pusey, 1868 *Daniel the Prophet* Martin Ralph DeHaan, 1947 *The Story of Daniel the Prophet* Stephen Nelson Haskell, 1977-02 The Book of Daniel is a prophecy given by God to Daniel 600 years before Christ that reaches clear down to the end of earth s history It is especially applicable to our day pointing out the immediate future In *The Story of Daniel the Prophet* a few of the interesting facts in regard to God s dealings with His people have been gathered into a simple narrative This book is the result of much prayerful study It is sent forth with an earnest prayer that in the hands of the parents it may be the means of making the study of the Bible in the family a blessing to young and old and that the teacher in the schoolroom may see precious rays of light flashing from its pages pointing both teacher and pupil to the Great Divine Teacher We trust that while its simplicity will attract many who might not be inclined to read a deep argumentative treatise the most studious will find food for thought and thus become better acquainted with the character of our Heavenly

Father Those who wish to enter into more comprehensive study will find that the marginal references open up many veins of precious ore in the deep mines of God s Word Throughout the entire book the special providence of God over those who are faithful to Him is brought out in clear contrast to the fate of those who ignore His guiding hand The truth is the same whether in the history of nations or individuals As The Story of Daniel the Prophet goes forth on its mission of love for the Great Master may it prove a blessing to all classes young and old rich and poor learned and unlearned The Message of Daniel Dale Ralph Davis,2024-01-18 The Old Testament book of Daniel contains well known stories Daniel in the den of lions his three companions in a fiery furnace and the strange handwriting on the wall at Belshazzar s feast which struck terror in the heart of the Babylonian king However this book can be difficult to understand Along with stories about Judean exiles working in the court of pagan kings it also consists of Daniel s enigmatic visions and prophecies about the future It is written in two languages Hebrew and Aramaic and the language division does not match the subject division Therefore Dale Ralph Davis explores the book s background discusses significant interpretative issues and problems and offers a lively exposition of Daniel s message which may be summed up in the words of Jesus the end is not yet but the one who endures to the end will be saved Mark 13 7 13 The Bible Speaks Today series covers every book of the Old and New Testaments as well as Bible themes that run through the whole of Scripture These revised editions are redesigned inside and out and have been sensitively updated with contemporary language and Bible translations to help you follow study and teach the Bible in today s world The Visions of Daniel the Hebrew Prophet Robert Johns,2012-04-20 For centuries controversy has raged over the authorship and genuineness of the book of Daniel Is it an authentic document from the sixth century before the Common Era with a message from God to postexilic Israel or is it a forged document written centuries later to encourage Israelites being oppressed by the Seleucid king Antiochus Epiphanes Robert Johns addresses these issues and more in his thesis on Daniels visions Importantly Johns establishes when Daniel was provided with his visions and he defines why God provided Daniel with the visions The Visions of Daniel the Hebrew Prophet examines the metal image the beast with eleven horns the Seventy sevens chapter eights little horn and the 2 300 evening mornings It demonstrates that the enigmatic 1 290 days and 1 335 days are anything but enigmatic and it identifies the reason why Daniels fifth and final revelation is so detailed Appendices address issues of general nature such as the historicity of Jesus the Christ the popularity of dispensationalism the identity of the abomination that desolates and the integrity of novels representing the Christian fiction genre which focus on a seven year tribulation period at the end of history This book will be of value to every Christian who has an interest in Bible prophecy and eschatology The Story of Daniel the Prophet Stephen N Haskell,2020-05-05 With skillful pen author Stephen N Haskell weaves the story of the prophet Daniel into a study of his prophecies connecting the dots with world history as he writes Though written in 1904 this book remains relevant today Highly recommended for any serious student of Bible prophecy **Daniel the prophet, 9 lectures, with notes** Edward Bouverie Pusey,1864 **The Story of Daniel the**
