**Gunna Dan** Patrick Moloney, 2010-11 Award Winning Finalist in the Religion Christian Inspirational category of the 2011 International Book Awards This is a remarkable story A newly retired schoolteacher goes to live in the countryside in the County of Clare in western Ireland There he meets and gets to know a recent immigrant an enigmatic character by the name of Gunna Dan The hapless and helpless visitor begs to be told what life is all about in his new adopted abode and what it is that gives meaning and purpose to our existence here on planet Earth What follows is a powerful exposition of discussion and argument We witness a revelation of thoughts and ideas We experience the pursuit of knowledge close up We take part in a journey that leads us into new worlds of enlightenment and understanding of purpose and meaning of wisdom and kindness of truth and spirituality of religion and Christianity And all of this happens within a wonderful medley of memory and reminiscence of history and culture of art and science of philosophy and mysticism The presentation of viewpoints and arguments is daring and evocative to the extent that readers will be delightfully challenged to more positively re examine the great importance of their own personal existence here on planet Earth     The Dan Smoot Report ,1956     **Educational Standards** ,1916     **Learning and Teaching the Ways of Knowing** Elliot Eisner, Elliot W. Agents of Change Adam S. Ferziger, 2025-07-29 The rise of moderate Orthodox Judaism in Israel and the key role of Americans in its emergence The conservative ultra Orthodox and redemptive Kook camps hold sway over religious matters in Israel Yet from the mid 1960s to the early 1980s a small cadre of American immigrants arrived in Israel and established or led a range of educational institutions that trained thousands of advanced students and laid the ideological foundations for an Israeli moderate religious stream In Agents of Change Adam S Ferziger highlights the parts played by these Americans in promoting the rise of a transnational community of moderate Jewish Orthodoxy Analyzing the novel outlooks that have found expression in central areas of debates from women s engagements in religious and public life and approaches to the gay and lesbian community to interactions with non Orthodox denominations and attitudes toward academic Jewish studies Ferziger illuminates both shifting religious dynamics in Israel as a result of this rise in moderate Orthodoxy as well as the changing relationship between Israeli and American Judaisms challenging current understandings which see the Jewish communities of the two nations as drifting apart Though a minority in Israel this vocal Orthodox community with a more moderate take on key issues is significant in potentially paving the way for social change Increasingly their influence is being felt Shedding light on the impact of American migration in forming a burgeoning moderate religious direction in Israeli life that has challenged the hegemony of the long dominant direction within Religious Zionism Agents of Change offers a fresh
