Milk River Curse N. J. Peterson, 2025-11-21 Danielle Wilder heightens her inner conflict of being a good mom and teacher when she succumbs to breaking the law. Out of desperation, Danielle turns to the renegade life of bank robbery to make ends meet. Soon the adrenaline rush from being successful at this takes over, leading her down a path of taking wild chances by committing felonies that could land her in prison. What she fears most is what her children and God will think of her. She realizes that it is a series of bad choices combined with her difficult past that has led her to this dangerous point in her life. Making matters worse, she is confronted by a mysterious stalker who seems to know all her secrets.

Just Good Friends Ruth Ann Nordin, 2014-10-12 Tiffany Clark recently had her 35th birthday, and she isn't married—something that worries her parents to no end. To make matters worse, her sister's wedding is quickly approaching, and Tiffany has no date. When her mom threatens to pair her up with someone she doesn't want, Tiffany takes matters into her own hands and asks her best friend Tyler Jackson to pose as her boyfriend. It'll only be for the wedding. The lie won't go any further than that. But in a moment of frustration, Tyler blurts out that he and Tiffany are married. That's okay, though. Because as soon as they get back to Omaha, Tiffany will tell them the truth. Only it's a little hard to do that when her very excited parents are coming to visit the happy newlyweds. In this romantic comedy, Tyler and Tiffany are about to learn there is no such thing as a little white lie.

The Chase Pattimari Sheets Cacciolfi, 2019-10-02 Five PnpAuthors write this book together, all from different countries. It's a crime mystery novel about a couple who are jewel thieves who make a big mistake and steal from a mob boss, and that's when the chase begins.

Criminal Evidence Jefferson Ingram, 2014-10-17 *Criminal Evidence* is a well-respected and trusted introduction to the rules of criminal evidence for criminal justice students and professionals. The first half of this book follows the Federal Rules of Evidence in its explanation of how evidence is collected, preserved, and presented in criminal court. The second half provides a selection of relevant criminal court cases that reinforce these basics and provide the context of how these rules are currently practiced. Readers will have an understanding of how concepts of evidence operate to convict the guilty and acquit the innocent. Part of the John C. Klotter Justice Administration Legal Series, this twelfth edition provides many updates, new references to recent cases, and a current version of the Federal Rules of Evidence. Student aids include chapter outlines, key terms, and concepts lists; a glossary; a table of cases cited; and online interactive case studies. Teacher resources include an Instructor's Guide, test bank, and PowerPoint slides.

Global Borderlands Victoria Reyes, 2019-09-03 The U.S. military continues to be an overt presence in the Philippines, and a reminder

of the country's colonial past Using Subic Bay a former U S military base now a Freeport Zone as a case study Victoria Reyes argues that its defining feature is its ability to elicit multiple meanings For some it is a symbol of imperialism and inequality while for others it projects utopian visions of wealth and status Drawing on archival and ethnographic data Reyes describes the everyday experiences of people living and working in Subic Bay and makes a case for critically examining similar spaces across the world These foreign controlled semi autonomous zones of international exchange are what she calls global borderlands While they can take many forms ranging from overseas military bases to tourist resorts they all have key features in common This new unit of globalization provides a window into broader economic and political relations the consequences of legal ambiguity and the continuously reimagined identities of the people living there Rejecting colonialism as merely a historical backdrop Reyes demonstrates how it is omnipresent in our modern world *Nomad* Emma
