Mastering Communication at Work, Second Edition: How to Lead, Manage, and Influence Ethan F. Becker, Jon Wortmann, 2021-02-09 The classic international bestseller updated for the hybrid work world including a new chapter on virtual communication Excellent communicating skills have always been crucial to success in leadership and

management roles and that's one of the reasons the first edition of this book *Mastering Communication at Work* has been an international bestseller taught at universities and referred to by leading CEOs. In the years since it was first published it's been the go-to communication playbook helping leaders develop strategic responses and communication tactics with clear actionable advice. What's changed in the last ten years? Well, nothing and everything. The fundamentals of effective communication are the same as are many of the challenges leaders face generation after generation. You still need to match your listener's tendency and validate and you still need to guard against defensiveness. What has changed is how some of the fundamentals and challenges are applied and met in today's world, both real and virtual, in remote and on-site working environments. *Mastering Communication at Work* 2nd Edition features an essential new chapter on remote team communication along with additional content on equitable leadership and updated case studies. Throughout you'll find practical hands-on advice and strategies that can help you reach your potential when preparing for big conversations and important presentations, help you reduce everyday stress and improve your organization's performance at every level.

Management Angelo Kinicki, Denise Breau Soignet, 2002 **The Live Enterprise: Create a Continuously Evolving and Learning Organization** Jeff Kavanaugh, Rafee Tarafdar, 2021-01-26. Named a Best Business Book of 2021 by Soundview Magazine. Transform your organization into a constantly learning, ever-evolving industry leader with the proven operating model of leading global firms. For decades, leaders of large complex organizations have been rightfully encouraged to run their organizations like lean agile startups. More often than not, they place their bets on trends like digital transformation or design thinking. Well-intended yet in isolation, they are not enough. There's another better way to drive durable, effective change in your organization, and it's been proven effective by global IT and business consulting leader Infosys. The Live Enterprise operating model provides a clear path to transform large complex businesses into agile digital ecosystems that evolve with changing market needs and scale to any size. You'll learn how to apply the benefits of the startup operating model but go much further. This groundbreaking guide addresses issues critical to transform large organizations such as: Create an organizational structure that drives collaboration, innovation, strategic alignment, and new culture across distributed, interconnected teams. Respond quickly yet thoughtfully and scientifically to opportunities to create valuable new employee and customer experiences. Reengineer your value chain to see what's missing, what can be improved, and what can be eliminated to generate exponential value. Automate systems so routine decisions can be acted upon with maximum human intuition and minimum human intervention. Groundbreaking in theory and long-term strategy, this game-changing guide includes practical steps you can take now for immediate, concrete results while laying the groundwork to operate with agility in the future. The application of Live Enterprise enabled Infosys to make the kinds of changes during the COVID crisis to not only survive but drive outstanding financial results. Now you can use this innovative approach to position your company for the highly unpredictable future ahead. **Thriving on Overload: The 5 Powers for Success in a World of Exponential**
