Understand Blog Content Writing Aysegul

Balkose,2021-05-17

Story It is about a story the plot and its characters

You blog writers are storytellers

Here is the twist you are also one of the main characters

The blog has an angle for the plot and its perception of the world around it

Blog as an entity has an identity the way of thinking and acting

It has ideas of its own

It is a great help to define these for the blog and yourself as the writer before you start chucking in your best ideas and publishing them

Blogs want to be found on Google

For this their content should be countered on the Reader

Not everyone will use the same words to search

To search relevant content they will use Semantic words

Your job is to write content which covers these

Semantic search

The reason I am writing this book is because it would make me feel so happy if I can help people understand the core concepts of blog writing

This was a struggle for me when I started writing blogs

I believe that knowing a basic working structure gives people the opportunity to leap forward faster

By helping others to decode basic concepts I know I am also helping myself as I embark on another journey of taking responsibility

My mission is to make people learn some life changing concepts quicker regardless of where they find themselves in life
