Frieden, 1991 In the 1970s and 1980s the countries of Latin America dealt with their similar debt problems in very different ways ranging from militantly market oriented approaches to massive state intervention in their economies while their political systems headed toward either democracy or authoritarianism Applying the tools of modern political economy to a developing country context Jeffry Frieden analyzes the different patterns of national economic and political behavior that arose in Argentina Brazil Chile Mexico and Venezuela This book will be useful to those interested in comparative politics international studies development studies and political economy more generally Jeffry Frieden weaves together a powerful theoretical framework with comparative case studies of the region s five largest debtor states The result is the most insightful analysis to date of how the interplay between politics and economics in post war Latin America set the stage for the dramatic events of the 1980s Carol Wise Center for Politics and Policy Claremont Graduate School *Debt, Sovereignty and Democracy in Latin America* Aldo Ferrer, 1984 **DEBT AND DEMOCRACY IN LATIN AMERICA**, 1989 **Latin America At The Crossroads** Howard J. Wiarda, 2019-04-02 A provocative and controversial look at Latin America as it stands at a crossroads this book analyzes the complex economic and social roots of the debt crisis and evaluates the prospects for new development strategies for the 1990s Dr Wiarda begins by placing the regional economic crisis in the larger context of technological change political upheaval and the international economy He then explores new choices and realities in inter American relations and the role international lending agencies can take to assist Latin America in meeting the challenge of the next decade The author suggests that smokescreens and mirrors have obscured the true nature of the crisis and as a result have skewed the policy debate *Future Survey Annual 1984* World Future Society, 1984-06-01 Neoliberalism and Class Conflict in Latin America H. Veltmeyer, J. Petras, S. Vieux, 2016-07-27 The 1980s in Latin America saw the implementation of a sweeping programme of economic reforms either imposed as a condition for securing new loans or to embrace the neoliberal doctrine of structural adjustment the ideology of a newly formed transnational capitalist class However the structural adjustment programme also generated widespread resistance especially from within the popular sector of civil society This book analyses both the politics of the adjustment process and the political dynamics of this resistance in Latin America Lost Promises William L.
