### **Decalog 3 Consequences:**

Doctor Who Decalog 3 Consequences Andy Lane, Justin Richards, 1996 This book is a collection of ten linked stories featuring all seven Doctors and spanning all of human history It follows the successful tradition of the previous two books in the Decalog series     **Doctor Who-Guide 1/3** compiled from Wikipedia pages and published by Dr Googelberg, 2012-08-07 Almost everything about the good doctor his companions and travels his enemies and friends Additionally the actors etc Part three contains all summaries of all TV episodes Compiled from Wikipedia pages and published by Dr Googelberg     **Doctor Who-Guide 2/3** Compiled from Wikipedia pages and published by Dr Googelberg, 2012-08-07 Almost everything about the good doctor his companions and travels his enemies and friends Additionally the actors etc Part three contains all summaries of all TV episodes Compiled from Wikipedia pages and published by Dr Googelberg     *Being a Girl with The Doctor* Gillian I. Leitch, Sherry Ginn, 2023-12-11 Throughout the long running BBC series Doctor Who the Doctor has rarely been alone traveling with both female and male companions The companion is essential to Doctor Who because he or she is a stand in for the audience providing information about the Doctor s ongoing adventures With the casting of a female actor in the role of the Doctor in 2018 one criticism of the series was finally resolved After the shift in gender identity the role of the Doctor and the companion also shifted or has it The continued focus on romantic relations between the TARDIS occupants has led to complaints from both male and female fans reiterating and reinforcing myriad criticisms about the portrayal of the female companions Essays in this book consider how gender is presented in Doctor Who and how certain female companions have been able to break out of the gendered roles usually assigned to them through the classic and new series     *Gender and the Quest in British Science Fiction Television* Tom Powers, 2016-11-01 The subjects of this book constitute a significant cross section of BBC science fiction television With such characters as the Doctor an enigmatic time traveling alien Kerr Avon a problematic rebel leader Dave Lister a slovenly last surviving human and Captain Jack Harkness a complex omnisexual immortal these shows have both challenged and reinforced viewer expectations about the small screen masculine hero This book explores the construction of gendered heroic identity in the series from both production and fan perspectives The paradoxical relationships between the producers writers and fans of the four series are discussed Fan fiction criticism and videos are examined that both celebrate and criticize BBC science fiction heroes and villains     Urban Nightmares Josepha Sherman, Keith R. A. DeCandido, 1997 Folklore in the past has given body to ghosts ghouls vampires werewolves and other sinister creations of human fears and imagination Modern urban folklore provides a host of new menaces and these terrors are now lurking in distant European castles but are waiting for readers down the block in the office elevator under the concrete of their street Is that only air clanging in the plumbing or is some thing coming up from the dark depths of the city and into readers personal urban nightmare     **The Publishers Weekly** , 1997     *The British National Bibliography* Arthur James Wells, 2003     **The Sabbath Recorder** , 1923     **Forthcoming Books** Rose Army, 1997     **The Literary Digest**
