**Studyguide: Theology in the Contemporary World** Ben Pugh, 2017-10-30 No sooner have they mastered the basics than students of theology can quickly find themselves in over their heads They are bombarded with claim and counter claim as soon as they want to tackle anything topical The contentious subjects tend to be the historical Jesus gender and sexuality or the atonement Other subjects might be less contentious but attract an astonishing excess of literature Take the vast literature tackling the subject of the Church for instance or the bloated body of tomes on various aspects of Pneumatology This book tries to provide the bewildered and intimidated student with a primer that is at once introductory and incisive approachable and informative It will help those training for ministry to recover their fascination for the subject of theology and how it could apply to their future ministry **The 'Spiritual Death' of Jesus** William Atkinson, 2009-03-16 The teaching of Kenyon Hagin and Copeland that Jesus died spiritually JDS is important because of the influence of these men not least on Pentecostalism This title states that adoption of JDS by Pentecostalism would be damaging in several respects and thus draw the latter away from its moorings in traditional Christianity **The Spirit Poured Out on All Flesh** Amos Yong, 2005-07 Offers a fascinating look at Pentecostalism s place in global theology and shows how Christians from other traditions can benefit from recent developments in Pentecostal theology *God's Wounds: Hermeneutic of the Christian Symbol of Divine Suffering, Volume Two* Jeff B. Pool, 2010-01-01 This book constitutes the second volume of a three volume study of Christian testimonies to divine suffering *God s Wounds Hermeneutic of the Christian Symbol of Divine Suffering* vol 2 Evil and Divine Suffering The larger study focuses its inquiry into the testimonies to divine suffering themselves seeking to allow the voices that attest to divine suffering to speak freely then to discover and elucidate the internal logic or rationality of this family of testimonies rather than defending these attestations against the dominant claims of classical Christian theism that have historically sought to eliminate such language altogether from Christian discourse about the nature and life of God This second volume of studies proceeds on the basis of the presuppositions of this symbol those implicit attestations that provide the conditions of possibility for divine suffering that which constitutes divine vulnerability with respect to creation as identified and examined in the first volume of this project an understanding of God through the primary metaphor of love God is love and an understanding of the human as created in the image of God with a life though finite analogous to the divine life the imago Dei as love The second volume then investigates the first two divine wounds or modes of divine suffering to which the larger family of testimonies to divine suffering normally attest 1 divine grief suffering because of betrayal by the beloved human or human sin and 2 divine self sacrifice suffering for the beloved human in its bondage to sin or misery to establish

the possibility of redemption and reconciliation Each divine wound thus constitutes a response to a creaturely occasion The suffering in each divine wound also occurs in two stages a passive stage and an active stage In divine grief God suffers because of human sin betrayal of the divine lover by the beloved human divine sorrow as the passive stage of divine grief and divine anguish as the active stage of divine grief In divine self sacrifice God suffers in response to the misery or bondage of the beloved human s infidelity divine travail focused on the divine incarnation in Jesus of Nazareth as the active stage of divine self sacrifice and divine agony focused on divine suffering in the crucifixion of Jesus of Nazareth as the passive stage of divine self sacrifice     *The Work of Christ* John S. Hammett, Charles L. Quarles, 2024-09-01 In *The Work of Christ* John S Hammett and Charles L Quarles examine Christ s service for his people especially his atoning work on the cross

**Redemption** Nicholas Roumas, 2025-08-05 A bold trailblazing investigation into soteriology approached by way of Girardian mimetic theory and Eastern Orthodox theological reflection *Redemption A Mimetic Soteriology* brings French literary critic Ren Girard s mimetic theory of human behavior together with a breadth of Christian approaches to redemption through the Cross Girard s mimetic understanding of sacrifice is drawn upon to illuminate biblical narratives about redemption as well as the theologies of Anselm of Canterbury Peter Abelard and Gregory of Nyssa Nicholas Roumas shows by these readings that redemption can be understood as a reconfiguration of symbolic values with profound consequences for human relations and social organization Redemption thus serves theologians as a basis for a new practical dogmatics This exploration is a breath of fresh air in Orthodox theology utilizing patristic and scriptural sources outside the framework of the predominant neo Patristic synthesis and introducing an entirely new modern paradigm onto the Orthodox scene For theologians of other traditions *Redemption* contributes to the library of Girardian theologies its first Eastern Orthodox installment For Girardians it provides critique and refinement of many of Girard s most nuanced views and gives due attention to overlooked and controversial aspects of his thought For the lay reader the book provides an accessible entry into the spirituality of the Cross through a lens that is both modern and traditional *Redemption* provides a revitalizing infusion into contemporary Orthodox theological discourse Its ideas will impact theology in the Orthodox Church and beyond for decades to come and are the basis for a paradigm shift in our understanding of redemption and its practical consequences The lay reader and professional theologian alike will find novelty and utility in its ideas     **Violence, Hospitality, and the**

**Cross** Hans Boersma, 2004 Offers a new model for understanding the atonement sensitive to both the Christian tradition and its postmodern critics     **The Satisfied Life** Jane Ellen McAvoy, 2000 Salvation for them means experiencing the death and resurrection of Christ not as life denying but as a life affirming celebration of God s love for us through the sustaining love of Jesus

Schoenmaeckers,Robert Althann,2004-12-20 Le 23 novembre 1964 jour de la promulgation de Lumen Gentium la constitution dogmatique sur l'Eglise marque un evenement c'est la premiere fois dans l'histoire de l'Eglise qu'une assemblee de la Sainte Eglise s'exprime solennellement sur la vie consacree Le sixieme chapitre de la constitution traite de la signification et de l'essence de la vie religieuse la reliant au mystere de l'Eglise peuple de Dieu Ce texte conciliaire presente la vie religieuse comme un etat canonique celui du chretien qui tend dans un institut de perfection a la charite parfaite et consacre sa vie a Dieu et aux hommes ppar la profession des conseils evangeliques de chastete pauvreté et obeissance De toute evidence cette declaration doctrinale est importante pour l'Eglise et pour le developpement de la vie consacree dans l'Eglise En lisant Lumen Gentium on est assez vite frappe par le debut abrupt du sixieme chapitre sur les religieux car tous les autres chapitres s'ouvrent par une breve introduction Cependant on ne peut deracher ce chapitre de ce que a ete dit precedemment sur la vocation universelle a la saintete En fait l'histoire du texte fait clairement ressortir le lien qui unit ces chapitres **After The Passion is Gone** J. Shawn Landres,Michael Berenbaum,2004 Mel Gibson's The Passion of the Christ topped box office charts and changed the American religious conversation The controversies it raised remain unsettled In After The Passion Is Gone American Religious Consequences leading scholars of religion and theology ask what Gibson's film and the resulting controversy reveal about Christians Jews and the possibilities of interreligious dialogue in the United States Landres and Berenbaum's collection moves beyond questions of whether or not the film was faithful to the gospels too violent or antisemitic and explores why the debate focused on these issues but not others The public discussion of The Passion shed light on a wide range of American attitudes evangelical Protestant mainline Protestant Roman Catholic and Jewish about media and faith politics and history Jesus and Judaism fundamentalism and victimhood After The Passion Is Gone takes a unique view of vital points in Christian Jewish relations and contemporary American religion *Consecrated Religious Life* Diarmuid Ó Murchú,2005 In 1960 more than 1.3 million men and women religious served the Catholic Church Today that number is under 900 000 When Diarmuid O Murchu a seminal thinker on religious life predicted this trend in the 1970s many dismissed him as a prophet of doom Here he reimagines consecrated religious life as a process of birth death rebirth and paints a positive picture for the future that will again be different from that of the past but with the power to transform itself and flourish into the next century as something as fresh as daring as the founders' visions **Gandhi and Jesus** Terrence J. ,1998      **Recent Releases** Geert Hallbäck,Annika Hvithamar,2008 The relationship between theology and film has always been a complicated one When film was invented at the end of the nineteenth century it quickly gained its place in popular culture far from the orthodoxies of the scholarly world and of the Church For the better part of the twentieth century popular cinema was considered off limits for serious studies of Bible and culture Recently however there has been a growing understanding of how the Bible is being used in popular culture not as a historical document or as an authoritative canon but as part of the cultural intertext Cinema is a vivid example of the role and impact of the Bible in contemporary society In this well theorized collection of essays the issue is treated from several angles Using the methodology of theology the question of the alleged escapism of popular cinema is explored Using the methodology of media studies the impact of the media on religious communication is analysed And using the methodology of religious studies the influence of the cinema in the creation of new religions religious behaviour and religious institutions is investigated In addition the book offers fruitful analyses of the cinematic use of biblical themes such as Eden salvation Mary Magdalene and Jesus as well as of the cinematic application of ethical themes such as truth telling personal growth suffering the accomplishment of good and the creating of meaning for human beings      **American Book Publishing Record Cumulative 1998** R R Bowker Publishing,1999-03
