Demarest, 2010-09-21 Integrative Theology is designed to help graduate students in a pluralistic world utilize a standard method of fruitful research Each chapter on a major doctrine 1 states a classic issue of ultimate concern 2 surveys alternative past and present answers and 3 tests those proposals by their congruence with information on the subject progressively revealed from Genesis to Revelation Then the chapter 4 formulates a doctrinal conclusion that consistently fits the many lines of biblical data 5 defends that conviction respectfully and finally 6 explores the conclusion s relevance to a person s spiritual birth growth and service to others all for the glory of God Why the title Integrative Theology In each chapter steps 2 6 integrate the disciplines of historical biblical systematic apologetic and practical theology Demon Possession John Warwick Montgomery, 2018-01-26 In January of 1975 the Christian Medical Association gathered to deliver papers on the subject of demon possession The essayists are Christians affiliated with a variety of academic institutions The essays themselves explore the phenomena of the demonic in the Bible in literature on the mission field in anthropology legal history and psychiatric treatment All of the participants accept the reality of the demonic but they are circumspect in their scholarship If you are looking for a more substantial treatment than what you might find in popular booklets on the subject or on the fiction aisle this is it never before or since this symposium has there been a focused study of this magnitude on demon possession **Judge for Yourself; a Workbook on Contemporary Challenges to Christian Faith** Gordon Russell Lewis, 1974 Is Jesus the only way to God Can the living communicate with the spirits of the dead Why accept Christianity It hasn t worked for 2000 years In a freakish universe where anything can happen what s so special about the resurrection These are just a few questions a thinking

Geisler, 1980 Inerrancy is a collection of essays by fourteen leading evangelical scholars on a wide range of topics related to the doctrine of the inerrancy of the Bible Footnotes and index are included

Why We Need the Church to Become More Like Jesus Joseph H. Hellerman, 2017-11-09 Many of us long to experience the fullness of God and his purpose for our lives Not a whole lot of us ever do The reason is that we have departed in some significant ways from the biblical view of Christian life and growth The New Testament highlights the communal missional and eschatological aspects of our walk with God We grow in our faith as individual Christians to the degree that we are a deeply rooted relationally in a local church community that is b passionately playing its part in God s grand story of Creation Fall Redemption and Restoration and c intently anticipating the summing of all things in Christ when Jesus returns In recent decades American evangelicals have traded away community outreach and the Bible s teaching about eternity future for the pursuit of individual religious experience in the here and now Why We Need the Church to Become More Like Jesus traces this departure from biblical Christianity through recent decades of popular evangelical trends and reminds us that faith centered on community mission and the story line of Scripture remains the key to the spiritual formation of the individual Christian
