The Decision to Use the Atomic Bomb and the Architecture of an American Myth Gar Alperovitz, 1996

American Imperatives Anders Stephanson, 2025-07-15 What was the cold war Conventional wisdom makes it coextensive with an epoch stretching from the end of the Second World War to the collapse of the Soviet Union a geopolitical period dominated by the confrontation between the United States and the USSR In a fundamental challenge to prevailing orthodoxy Anders Stephanson explodes this misconception which has misled historians and obscured the US centered nature of the entire process He argues that the cold war is better understood as the frame that made the global role of the US after 1947 not only possible but imperative and that in its classic form it ended in 1963 after the Cuban Missile Crisis American Imperatives does not assume that the causes of the great superpower rivalry rest solely with the United States But the frame was unmistakably and ineradicably American Without it there would not have been properly speaking a cold war The

United States and Russia Gary Wiener, 2017-12-15 After the U S S R formed the United States found itself in a rivalry that has persisted for nearly a century Readers are introduced to the complex history between the United States and Russia which for many years was a conflict between democracy and communism However after the dissolution of the U S S R the relationship between the two countries remains strained and readers also explore the reasons for this continued tension Quotes from powerful leaders of both countries striking photographs and thoroughly researched text help readers understand why these two competing nations have maintained a cold relationship for so many years *History Wars*

Edward T. Linenthal, Tom Engelhardt, 1996-08-15 From the taming of the West to the dropping of the atomic bomb on Hiroshima the portrayal of the past has become a battleground at the heart of American politics What kind of history Americans should read see or fund is no longer merely a matter of professional interest to teachers historians and museum curators Everywhere now history is increasingly being held hostage but to what end and why In *History Wars* eight prominent historians consider the angry swirl of emotions that now surrounds public memory Included are trenchant essays by Paul Boyer John W Dower Tom Engelhardt Richard H Kohn Edward Linenthal Micahel S Sherry Marilyn B Young and Mike Wallace The Decision to Use the Atomic Bomb Gar Alperovitz, 1996-08-06 With a new preface by the author Controversial in nature this book demonstrates that the United States did not need to use the atomic bomb against Japan Alperovitz criticizes one of the most hotly debated precursory events to the Cold War an event that was largely responsible for the evolution of post World War II American politics and culture **American Survivors** Naoko Wake, 2021-06-24 The little known history of U S survivors of the Hiroshima and Nagasaki atomic bombings reveals captivating trans Pacific memories of war illness gender and community **Multiculturalism in the United States and the Asia-Pacific Region** , 1996

Postmodernism poststructuralism and deconstructionism are interrelated aspects of the newest theoretical development in sociology and the social sciences This new wave of thought challenges virtually all paradigms currently in use In this his fifth volume in the Studies in American Sociology Series Stanford M Lyman offers commentaries on and critiques of this new perspective posing questions concerning theoretical and epistemological problems arising from what appears to be a nouvelle vague Among the basic themes and issues explored are the allegation that modernity has defaulted on the promise of the Enlightenment the question of whether the rational basis for knowledge and action is still valid the controversy over the place of metanarratives and macrosociological outlooks and newer concerns over race gender sexual preferences the self and the Other Professor Lyman provides empirically based and historically specific analyses of the relation of the race question to the problem of otherness and to the legal construction of racial identity in American court proceedings Focusing on the issues of citizenship affecting European Middle Eastern and Asian immigrants African Americans and the special cases of the Chinese and Native Americans he relates major public problems to the modern as well as the postmodern perspectives on justice The debate over assimilation and multiculturalism the dynamics of gender specific emotions as expressed in six decades of Hollywood films and the postmodern approach to deviance are each examined He also offers proposals for a social science attuned to but critical of postmodernism and poststructuralism Such a sociology might offer a perspective that treats the drama of social relations in the routine as well as the remarkable aspects of everyday life Professor Lyman provides not only a new understanding of postmodernism but also a program of how to proceed with respect to its challenges
