Deep Calls to Deep George A. Maloney,1993-05-01 *Deep Calls To Deep* Thralls, Chad ,2020-11-18 Integrating the work of scholars and teachers of contemplative prayer *Deep Calls to Deep* introduces the theological issues of Christian mysticism and explains the primary practices necessary to experience mystical consciousness *A Luminous Life* Brock Bingaman,2021-03-23 In a culture intrigued by various forms of spirituality this study invites readers to explore the deep historically rooted resources of the Christian spiritual classics It is an invitation to seek the transformative presence of God the kingdom of God within our hearts through the spiritual classics These classics formed in the matrix of meditation on Scripture are like road maps that provide invaluable wisdom and guidance for the spiritual journey Illustrating the importance of theologically grounded spirituality *A Luminous Life* draws from Catholic Orthodox and Protestant classics that stem from rich trinitarian and christological reflection This book explores key themes in the spiritual classics including biblical images and historical models of spiritual development prayer fasting solitude and community the cross and suffering the desert spiritual direction and contemplation and action This study seeks to bridge the academic and ecclesial demonstrating that the life of the mind and life in the Spirit are unified that theological reflection and spiritual formation go together Considering exemplary writings from diverse traditions such as the Desert Fathers Maximus the Confessor Teresa of Avila and John Calvin *A Luminous Life* draws readers into worshipful reflection on God and formation in Christ The book concludes with the encouragement to ongoing prayerful study of the spiritual classics as fuel for the luminous life *Deep Calls Unto Deep* Arjan Plaisier,2015-01-12 As a pastor and Secretary General of the Protestant Church of the Netherlands Arjan Plaisier has a good observation point to observe the growing secularism of the Western world including the widespread disenchantment with the church Whatever the reason for this malaise the individual without true religion is really standing on the edge of a spiritual abyss such a life is one without purpose beyond the day by day episodes that constitute an amoral jaunt through the world Thus the church is the one institution everyone needs to take seriously It is the institution that most effectively challenges the idols of our day provides meaningful community and urgently addresses the ultimate issues of life God is the generous and ultimate source of truth goodness and beauty God in turn pleads for a response from his creatures *Deep Calls Unto Deep* is a book which laced with creative metaphors provides much practical wisdom for aligning our present lives with the larger purposes of God s great narrative The decision to join this high drama as Plaisier says can lie as close as our front door **Heart of Lightness** Edith L. B. Turner,2005 Edie and Victor Turner were among the most influential researchers in the 20th century Together they raised the idea of participant observation to heights most anthropologists never achieve These memoirs are a testimony to a remarkable partnership and to Edie Turner s own achievements after Victor s death **Paperbound Books in Print 1995** Reed Reference Publishing,R5ference Reed,1995-12 **Christ's Empowering Presence** Gary Tyra,2012-01-04 Christ s Empowering Presence looks at the
