Scott Schell is the 24 year old son of super rich and highly respected Dr Haywood Schell of Boston Scott s consistently dissolute behavior induces Dr Shell to remove Scott from his Will The severance is irreversible unless Scott visits and reports on the Schell mineral holdings in Coonskin County West Virginia Scott begins his journey to Coonskin County with his only remaining possessions the tuxedo he is wearing and a little over one hundred dollars in cash During his excursion into the backwoods of West Virginia he encounters various eccentrics coundrels and heroes He learns valuable lessons of life from each of these Finally Scott meets and falls in love with Doris Gruver a great beauty from Philadelphia who like himself has become entrapped in a deadly web of fate Together they will trust the mysterious widow Ola an ex spy to engineer their escape from fanatic holdovers from the War Between the States This Land Is Your Land RD Moore,2023-06-10

This land was made for you and me This is the emphatic refrain of Woody Guthrie s iconic anthem a profound rendering of one of our nation s most sacred truths Yet for far too many and for far too long this hasn t felt like a land made for them or one that even wants them And that s just not sustainable This Land Is Your Land TLIYL is a telling of our social story through the lens of the American people how we became who we are and who we re in the process of becoming It s about the systems we built both generative and degenerative from democracy and equality to slavery and social supremacy and how everything about us is changing Right this minute we re in the midst of the greatest sociological shift in U S history one where in every way we currently measure we ll soon be a post majority nation By 2045 incumbent majorities from racial whiteness to Christianization to heteronormativity will all be downgraded to minority status This Time of Turmoil one where everything s shifting is why we re experiencing so much unrest and instability from rising poverty to increasingly caustic elections to diminishing human regard But it s also why getting this right has never been more important or mattered more A combination of personal vignettes and cultural analysis TLIYL covers 300 years of shared history one that s been shaped by nearly 550 million lives lived and explores how together we move forward It s a story with three parts Part One How the American Race Construct ARC and other toxic frameworks impaired us Part Two How the Degenerative Cycle DGC and other predatory processes imperiled us Part Two and Part Three How through personal practices like the Four Actions each of us can help us become a society that embraces all of us Today we find ourselves in a bit of a tough place But instead of an ending this shift we re undergoing might actually be a beginning a chance to both make our founding dreams real and gift

the future a future And in doing so we transform ourselves into a new land one as Woody sang made for you and me
