Deep Red Horror Handbook:

The deep red horror handbook Charles Balun,1989 **Xerox Ferox** John Szpunar,2013-10-08 A scene that influenced generations of writers filmmakers and fans XEROX FEROX is the first book to cover the horror film fanzine and the culture it spawned From Famous Monsters of Filmland to Fangoria and everything in between XEROX FEROX is much more than a book about monster magazines It examines the home grown DIY fanzines that dared to dig deeper than the slick and shiny newsstand mags ever would or indeed even could The titles are as lurid as the films that they covered Gore Gazette Deep Red Sleazoid Express Before message boards before blogs before the Internet itself the fanzine reigned as the chief source of news and information for horror fans worldwide Often printed on the cheap and sold for the price of postage madcap and irreverent mags like Slimetime Subhuman and Shock Xpress travelled the globe creating a thriving network of fans and professionals alike XEROX FEROX traces the rise of the horror film fanzine from the Famous Monster starved kids of the 1960s to the splatter crazed gorehounds that followed Featuring in depth interviews with fifty writers editors and industry pros XEROX FEROX is the final word on an era that changed the world of fandom forever **The Gorehound's Guide to Splatter Films of the 1960s and 1970s** Scott Aaron Stine,2015-11-20 For the uninitiated the author has obligingly supplied a definition for the slasher splatter film Any motion picture which contains scenes of extreme violence in graphic and grisly detail For those film viewers who think this is a good thing and are more likely to select The Texas Chainsaw Massacre than The Remains of the Day or for those who are not quite sure but are nevertheless drawn to the phantasmagoric or for those horrified by gratuitous violence and blood for blood s sake but are researching this filmic phenomenon this reference book provides all the gory details From At Midnight I ll Take Your Soul Away to Zombie 2 The Dead Are Among Us this book is an exhaustive study of the splatter films of the 1960s and 1970s After a history of the development of the genre the main meat of the book is a filmography Each entry includes extensive credits alternate names and foreign release titles availability of the film on videocassette availability of soundtracks and film novelization and reviews Extensive cross referencing is also included **The Gorehound's Guide to Splatter Films of the 1980s** Scott Aaron Stine,2015-09-18 Reviews of The Gorehound s Guide to Splatter Films of the 1960s and 1970s recommended Booklist exhaustive useful ARBA a solid reference work Video Watchdog bursting with information opinion and trivia impeccably researched Film Review interesting and informative Rue Morgue detailed credits entertaining Classic Images Author Scott Aaron Stine is back again this time with an exhaustive study of splatter films of the 1980s Following a brief overview of the genre the main part of the book is a filmography Each entry includes extensive technical information cast and production credits release date running time alternate and foreign release titles comments on the availability of the film on videocassette and DVD a plot synopsis commentary from the author and reviews Extensive cross referencing is also included Heavily illustrated **Crime Scenes** Anne Mullen,Emer O'Beirne,2000 The essays in this collection are based on papers given at a conference on detective fiction

in European culture held at the University of Exeter in September 1997 The range of topics covered is designed to show not only the presence and variety of narratives of detection across different European countries and their different media although there is a predictable emphasis on the novel It also illustrates the fertility of the genre its openness to a spectrum of readings with different emphases formal as well as thematic Approaches to detective fiction have often tended to confine them selves to symptomatic interpretation where details of the fictional world represented are used to diagnose a specific set of social preoccupations and priorities operative at the time of writing Such approaches can yield valuable insights Nonetheless there is a risk of limiting the value of the genre as a whole solely to its role as a mirror held up to society In this perspective issues of structure and style are sidelined or if addressed are praised to the extent that they approach invisibility concision sparseness realism are the qualities singled out for praise The genre also gives much scope for formal innovation and indeed has often attracted already established mainstream writers and filmmakers for just this reason The eclectic diversity of the detective narratives considered in this volume reveal the malleability of the traditional constraints of the genre The essays bear rich testimony to the value of considering the interplay of thematic and structural issues even in the most apparently unselfconscious and popular or populist forms of narrative The patterns of reassurance the triumph of intellect and the ordered rational world of old are now challenged by the need to foreground the problems ambiguities and uncertainties of the self and of society The plurality of meanings and the antithetical imperatives explored in these detective narratives confirm that the most recent forms of the genre are not mere palimpsests of their golden age precursors The subversion of traditional expectations and the implementation of diverse stylistic devices take the genre beyond mere homage and pastiche The role of the reader spectator and critic in conferring meaning is a crucial one

Bodies of Desire and Bodies in Distress Xavier Mendik, 2015-09-18 In recent years there has been an explosion of critical interest in the icons genres and traditions of 1970s Italian cult film Thanks to the international success of directors such as Dario Argento and Sergio Martino and the influential giallo thriller cycle in which they worked these unconventional and often controversial films are now impacting on new generations of filmmakers scholars and moviegoers alike Bodies of Desire and Bodies in Distress The Golden Age of Italian Cult Cinema 1970-1985 considers the current interest in specific Italian directors and cult genres exploring the social political and cultural factors that spawned a decade of cinema dominated by extreme yet stylish images of sexuality and violence Bodies of Desire and Bodies in Distress situates the explosion of 1970s Italian cult excess against the toxic backdrop of political violence and terrorist activity that produced shocking images of carnage and crime during this period The volume also considers why the iconography of the sexually liberated female became recast as a symbol of fear and violation in a range of Italian cult film narratives In addition the book also analyses how longstanding regional distinctions between Italy's urban North and the much maligned rural South fed into sex and death cycles produced between 1970 and 1985 Bodies of Desire and Bodies in Distress profiles leading 1970s Italian directors and performers including

Aristide Massaccesi Joe D Amato Laura Gemser and Dario Argento who also provides an interview discussing his work and 1970s Italian society The volume also provides case studies of the giallo cycle rape and revenge dramas the Italian rogue cop series post apocalypse films barbarian movies and sex comedy formats By considering the icons and genres from the golden age of Italian cult film alongside the crucial social and sexual tensions that influenced their creation this book will be of interest to film scholars and cult movie fans alike

Deep Red Horror Handbook Introduction

In today's digital age, the availability of Deep Red Horror Handbook books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Deep Red Horror Handbook books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Deep Red Horror Handbook books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Deep Red Horror Handbook versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Deep Red Horror Handbook books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Deep Red Horror Handbook books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Deep Red Horror Handbook books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions

have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Deep Red Horror Handbook books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Deep Red Horror Handbook books and manuals for download and embark on your journey of knowledge?
